Most managers, from Little League on up to the major leagues, advise their players to use two hands for catches when possible, although their advice isn't always taken.

And Red Schoendienst, manager of the St. Louis Cardinals, warned outfielder Joe Cruz it would cost him \$100 each time he missed a fly ball by trying a one-handed catch when a two-hander was in order.

Schoendienst issued his warning after Cruz dropped a ball in the last inning that helped Los Angeles nip the Cardinals, 6-5.

Police Cry Out For Candidates

City officials in Albany, Ore., said they have received an unusually good response to a newspaper advertisement seeking candidates for the police department. The ad reads:

"Must have quick mind, strong stomach, good heart and above all must not cry when people yell at you."

Personals

Mr. and Mrs. Tom Goodnight, Miss Luellen Goodnight, Miss Sheryl Wytendach of Salisbury and Mr. and Mrs. Ronnie Barrier and children spent Friday through Sunday at Myrtle Beach, S. C.

NEW PROGRESS IN PRENATAL NUTRITION

Nutrition before and after birth may be a determining factor in mental capabilities. Evidence from on going research in this field is growing and it is leading to the conclusion that the size and number of a child's brain cells may be reduced by infant malnutrition. A newborn weighing two pounds under the normal birth weight may, when he reaches 7 years of age show a 6 month lag in learning skills.

Vitamin supplements during pregnancy are thus becoming more and more important. We carry a full line of these products that your physician might prescribe and will be glad to help you with any questions you may have on this topic.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

CWS Issues Call For Clothing

The Church World Series will collect clothing during the week of September 4 from the fellowship hall of Mooresville's First Presbyterian Church.

All items must be packed in boxes and securely tied. There is no need for women's clothing, but men's and children's clothing is needed.

Layette, blankets, fabric/ sewing kits, school supplies, and bars of soap are in great demand. A contribution of 10 cents per pound to cover shipping costs will be appreciated and may be left at the office of the First Presbyterian Church.

All churches in this area and especially those who have participated in the program in the past are urged to bring their boxes to the church before September 4.

It is hoped that last year's record may be equaled or exceeded this year.
