

Are You Happy With The Education Your Children Are Getting?

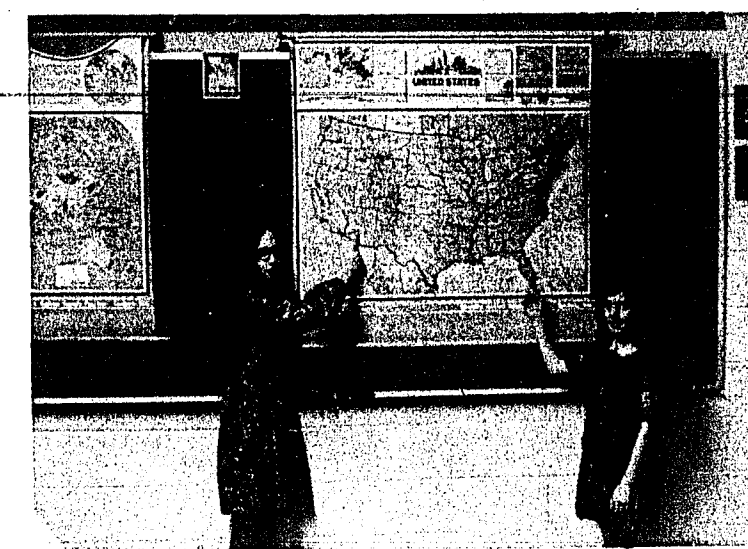

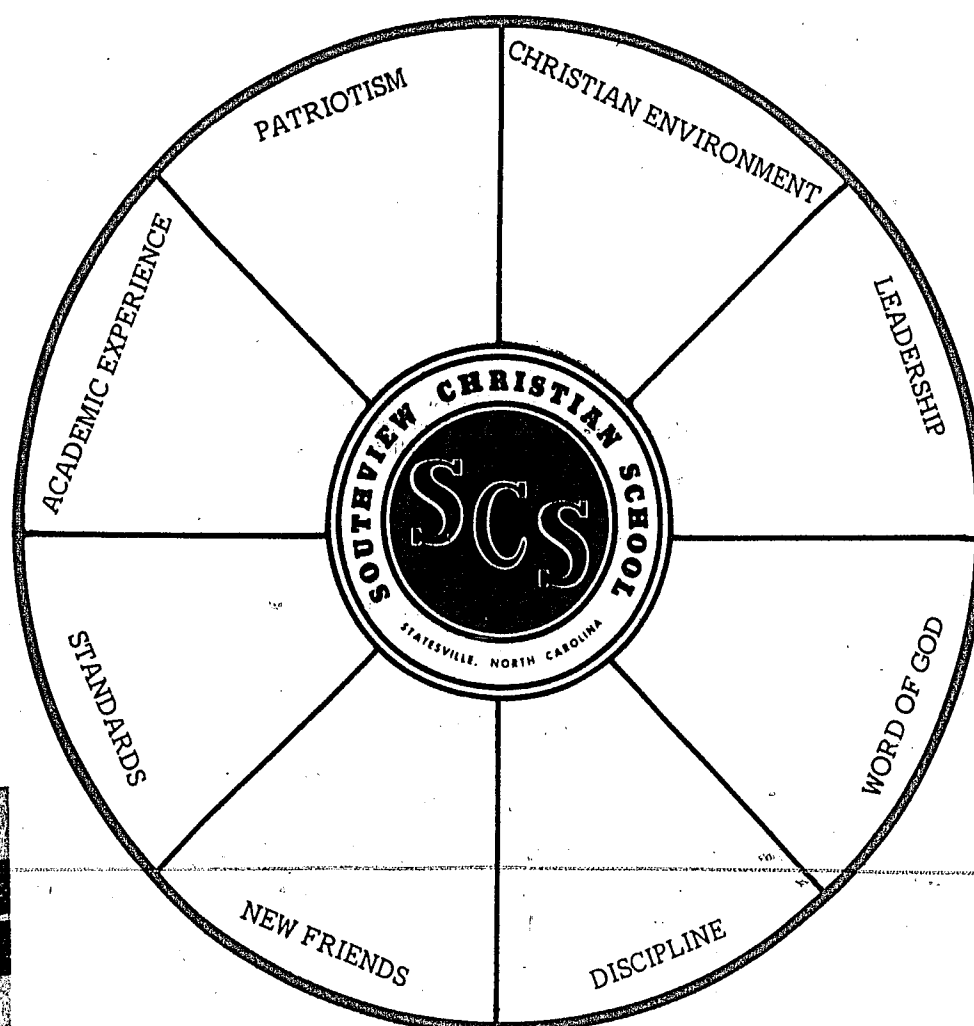

If Not Have You Heard About... SOUTHVIEW CHRISTIAN SCHOOL

"Where Young People Learn To Live"

★ Aim Of Southview

The aim of the Southview Christian School is to give the child a Christ-centered life, seeking to meet both his spiritual and mental needs. We believe, "The fear of the Lord is the beginning of Knowledge," and that all subjects should be taught in the light of the Scriptures. We believe the Bible teaches that it is the parents' responsibility to "train up a child in the way he should go" and that only in a Christian School can this spiritual obligation in behalf of our children be fulfilled. The Southview Christian School seeks to help parents fulfill the promises they made to God to raise their children to know Him and to walk in His ways. This help is not given in schools where the biblical view of the purposes of life is not taught.

A Christian philosophy of education, high academic standards, and the proper emphasis upon morals, discipline and patriotism constitute the advantages of being a student at Southview Christian School. Our academic level is geared to train Christian Leaders for the here and the hereafter.

★ KINDERGARTEN

FOUR-YEAR KINDERGARTEN

Four-Year Kindergarten is designed to give the child a "running start" and prepare him to adjust socially, develop physically, and grow spiritually. Children enjoy Kindergarten and they experience a transition from home to school that is pleasant and conducive to proper growth. The Kindergarten curriculum includes learning to get along with others, learning the alphabet and sound, recognizing numbers, learning colors, and memorizing verses.

FIVE-YEAR KINDERGARTEN

Five-Year Kindergarten is not just play time. Our Kindergarten serves as our basic academic year. The program is geared to give the child the necessary preparation in phonics, reading readiness, numbers, printing and classroom behavior before entering first grade.

★ ELEMENTARY (Grades 1-6)

At Southview Christian School we plan our curriculum using the fundamentals of reading, writing, and arithmetic, with special emphasis on phonetic reading, for the essential basis of all education progress. There is a relationship between discipline in a school and the quality of education offered by the school; therefore, we maintain high scholastic and discipline standards.

★ JUNIOR HIGH (Grades 7-9)

The Christian School Junior High affords the Christian culture and high academic standards that are so important during the formative "teen" years. There is quality education with a balanced emphasis on social, spiritual and physical development.

Miss Williams And Mr. Johnson Pledge Vows Sunday Afternoon

In a lovely traditional setting at the First Church of the Nazarene on August 26, Miss Patsy Pearl Williams became the bride of Michael Lane Johnson. The 4 p.m. vows were performed by the bride's pastor, the Reverend John C. Foltz.

The bride is the daughter of Mr. and Mrs. James Milton Williams of Mooresville, Route 5. The groom is the son of Mr. and Mrs. Ralph Donald Johnson of Perth Church Road, Troutman. Both the bride and groom are graduates of South Iredell High School. He is employed at Troutman Industries, Mooresville, but will leave on September 19, to take his basic training in the U. S. Air Force.

A prelude of organ wedding music was rendered by Mrs. Boyce Freeze, of Mooresville. She played The Lord Is My Shepherd, Bolck; Prelude on Brother James' Air, Wright; Arioso, Bach; Prelude in F, Krebs.

The sanctuary of the church was arranged with seven and nine branched candelabra with lighted tapers and baskets held lovely arrangements of blue daisies and pink carnations. The altar table was centered with an arrangement of white gladioli and pews for the mothers and guests were marked with blue bows and foliage.

The lovely bride was given in marriage by her father. She wore a formal gown of white organza and white lace. The groom wore a tuxedo.

The bride carried a white prayerbook with a white orchid showered with bridal ribbons. As the bride processed to the altar, she paused at her mother's pew and gave her a single long stemmed red rose and upon leaving the altar she paused at the pew of the groom's mother and gave her a long stemmed red rose.

Mrs. Allen Jackson, of Mooresville, sister of the bride, was matron of honor. Miss Deanna Morrow was a bridesmaid and Miss Robin Johnson, sister of the groom, was a junior attendant.

All of the attendants wore gowns of pink and blue floral organza over blue tulle, styled with empire waist, scooped neckline and puff sleeves. Blue velvet ribbon encircled the high waist and formed a bow in the back with streamers. Their headpieces were picture hats with matching blue velvet ribbons around the crown. Each attendant completed her attire with a gold locket, a gift from the bride.

The couple will make their home in Troutman until the groom receives a permanent station with the U. S. Air Force.

Mrs. Freeze accompanied the vocalist Mrs. Rachel Freeman as she sang "More" and "Wedding Prayer" by Dunlap and leaf designs. The emcee accompanied Mrs. Freeman as she sang "Wedding Song" (There Is Love).

The bride's mother, Mrs. Williams, chose for her daughter's wedding a dress of blue polyester crepe fashioned with an empire waist, v-neckline and bell sleeves. She wore matching accessories.

The groom's mother, Mrs. Johnson, wore a blue polyester dress styled with full skirt and a cape attached at the neckline forming a collar and sleeve effect. She chose black patent accessories.

Grandmothers of the couple were remembered with corsages of double white carnations.

Mrs. Danny Williams, of Goldsboro, sister-in-law of the bride, kept the guest register. Immediately following the ceremony, the bride couple, their parents and attendants paused in the vestibule of the church to greet their guests.

For a wedding trip to the mountains of western North Carolina, the bride wore a dress of blue polyester crepe with white accessories. She lifted the veil from her bride bouquet for a going-away corsage.

The couple will make their home in Troutman until the groom receives a permanent station with the U. S. Air Force.

The bride featured a sheer yolk, edged in scalloped lace, under which large appliques of white lace adorn center bodice, forming designs of flower, petal and leaf designs. The emcee bodice had a high Victorian neckline, with mandarin band, overlaid with white lace and satin ribbon interlacing and encircling the neckline. The full sheer bishop sleeves were gathered on very wide cuffs which were bordered on both sides with scalloped white lace with interlacing of satin ribbon. The fluid a-line skirt with soft fullness on each side was accented with matched appliques extending from shoulder to form a v-shape in center back. Satin tapered down back from bow under which a chapel train was attached. The train had satin ribbon and lace insertion about the hemline.

A SLOW LEARNER MAY HAVE OTHER PROBLEMS

Often a young child that does not keep up with the rest of his class is singled out by his classmates as a subject for teasing. This in turn causes resentment by the child and can lead to definite anti-social behavioral problems.

Very frequently the reason for so-called slow learning may be due to a physical impairment such as poor eyesight, bad hearing or a speech problem. If you have a child who is doing poorly in the early grades it may not be his fault. Have your physician check it out before the problem gets serious.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

The home was arranged beautifully for the cake-cutting and the bride table was covered in white linen and overlaid with blue net. The three-tiered wedding cake, decorated in blue and white, featured a bride and groom ornament on the top tier. A floral arrangement flanked by lighted tapers graced the table.

A crystal punch service held pink fruit punch and trays held nuts, mints and pickles. Guests were greeted by Mrs. Katherine Williams, sister-in-law of the bride-elect, and Mr. and Mrs. Paul Williams, aunt and uncle of the bride-to-be.

After the bride couple cut the traditional first slice of wedding cake, Mrs. Jacob Compton, aunt of the bride-elect, completed the serving of the cake. Miss Leona Johnson, aunt of the groom-elect, and Mrs. Vivian Gleaton, aunt of the bride-elect, presided at the punch service.

The honor couple chose this time to present gifts to their wedding attendants.
