

Midget All-Stars Host Lenoir Squads

The Mooresville Midget League coaches chose their all-star Saturday after the final games of the season. Each team chose 13 players to represent it in the all-star games to be played Saturday on the high school field. The first-place team, Templeton, is teamed with the fourth-place team, Burlington. The two middle teams, Jaycees and Mooresville Federal, are combined to form

SI Jayvees Defeated By Bunker Hill

South Iredell's junior varsity football team was downed, 18-14, by the Bunker Hill Jayvees last Thursday afternoon. South Iredell scored early in the game on a short run by Mike Mullally. Mel Arey caught a pass from Tim Mills for the points-after-touchdown. Bunker Hill scored a pair of touchdowns in the first half to lead, 12-8, at halftime. After a South Iredell fumble in the third period, Bunker Hill improved its margin, 18-8, with another touchdown. South Iredell's second touchdown of the game came on another run by Mullally. The Baby Vikings now are 4-4 and will end their season today (Thursday) afternoon in a game with Bands at Bandys. Baby Viking Coach Dean Saffos praised the efforts of Mullally and the defensive work of Miller Garner and Tim Menster.

Templeton Blue Comets—1973 Midget Football Champions

The Templeton Midget League team won the championship of the league with a 5-1 record. The team will travel to Lenoir November 10 to participate in a "Midget Bowl" game. The team is head-coached by Gary Elkin, who is very proud of his team. Assistant coaches are Tommy Cross and Mike Hager. The team members are as follows: Jerry Watkins, 34; David Howard, 41; Jeff Brown, 45; Joe Bell, 32; Kevin Newton, 12; Carl Ashley, 43; Tommy Coggins, 23; Danny Cline, 22; Donald Wilkerson, 31; Berry Thompson, 40; Tony Witherspoon, 24; Jeff Houston, 55; Roger Foster, 33; Dion Moore, 50; Donnie West, 52; Dean McCarter, 51; Ricky Mitchell, 35; Larry Grady, 53; Billy West, 21; and John Terry, 30. Tommy Carrigan, Chuck Crouch and Todd Lipe also are members of the championship team of the four-team league that closed out regular-season play Saturday.

Winders Top Winner In Contest

Walter Winders of Mooresville, route 2, with 10 correct guesses out of a possible 12 took the first-place award of \$7 in the weekly football contest being sponsored locally by Mooresville merchants and the Mooresville Tribune.

The second-place award of \$4 was won by W. W. Turman of Mooresville, route 5, while Red Wilson of 313 East Lowrance Avenue captured the third-place prize of \$3.

Both Turman and Wilson had nine correct guesses out of a possible 12, therefore, the total score of the tie-breaking game—Mooresville versus East Rowan—was used in selecting the second and third-place winners. Total points scored in the tie-breaking game were 44. Turman guessed 46 while Wilson guessed 41.

Twelve other contestants also had nine correct guesses out of a possible 12, but were off more than three points in their guesses of the total score of the tie-breaking contest.

Contestants Lined Up For Amateur Hour Show

A number of contestants already have indicated they will participate in the amateur hour, which is being sponsored here on November 16. Sponsored by the Junior members of the Interested CB's of America, Inc., the program will be held at the Veterans of Foreign Wars Post Home on N. C. Highway 801, getting underway at 7 p.m. Among the contestants already lined up for the program are: Raefette Byers, a student at Mooresville Junior High School, who will sing "Touch Me In The Morning"; Shirley Evans, manager of Dressmaker Fabrics in Mooresville, who will sing "Exile On Your Mind"; Sherry Malcolm, a student at Mooresville Junior High School, who will sing "One Hand, One Heart" from the West Side Story; and The McAllister's family group, from Huntersville, playing country music.

All proceeds realized from the program, which is expected to attract a large group of contestants, will be used in purchasing hearing aids for children under six years of age. The winning contestant will receive a \$50 savings bond and the second-place winner will receive a \$25 savings bond. Door prizes, donated by friends of the sponsoring organization, local merchants and industrial plants, will be awarded. A donation of \$1 will admit an adult to the performance and all children under age five will be admitted free of charge. Weddings Anniversaries Anything Photographic Philip L. How Many Cans Can Seven Kids Collect?

The number is limited only by their time and energy. Certainly an inexhaustible supply of cans clutters the streets and roadsides of South Iredell. Saturday afternoon, these youngsters collected two pickup truckloads in four hours along six miles of road in the Shinnville community.

At work during the cleanup campaign led by Ed Fleagle and Stanley Tolbert are, from left, Mike Tolbert, twins Rodney and Ronnie Duke, Scott Hardwick, Bobby Sipes and Wendell Holt. Dale Tolbert also took part in the project. All live in the Shinnville section.

Iredell County Families Move Into Higher Income Brackets

How well are Iredell County families making out financially? What proportion of them

are now to be found in the upper income brackets?

The latest figures show that rising wages and salaries in the area have benefited most families, moving them up to higher positions on the income ladder. Conversely, the proportion at the lower level has become smaller.

The extent to which these changes have affected local residents is brought out in a copyrighted report released by Salaries Management. It indicates, for every section of the country, the percentage of families that fall within each income bracket.

The breakdown was made for the purpose of obtaining a better understanding of a community's purchasing power than was possible through its "average income" figure alone.

It shows, whether that average, representative earnings, that are well-distributed among the bulk of the population, or

whether it is unbalanced, with a few families with very large incomes compensating for a larger number with small incomes.

In Iredell County, it appears, both the general level of earnings and the distribution are relatively good. Locally, some 70.8 percent of the households had net cash incomes of \$5,000 or more in the past year after payment of their personal taxes.

The proportion was greater than was reported for the South Atlantic States as a whole, 69.4 percent. In the State of North Carolina it was 67.1 percent.

Since the survey took into account only cash income, it understates somewhat the situation among farm families, since no allowances are made for the lower living cost on the farm.

The Iredell County breakdown gives the position on the income ladder of each group of local families. It lists 24.4 percent of them on the \$5,000 to \$8,000 rung, 14.5 percent at the \$8,000 to \$10,000 level and 31.9 percent with earnings of \$10,000 or over. The remainder have a net of less than \$5,000 after taxes.

Although incomes have been going up, so has the cost of living. Families need the additional money and more to keep abreast of their zooming expenses.

Hornaday Named Prexy Of Cannon Mills Co.

A Greensboro native who has a 24-year career with Cannon Mills Company of Kannapolis Thursday was named president

and chief operating officer of the company.

He is Harold P. Hornaday, 47, and he succeeds Don S. Holt, who was re-elected chairman of the board of directors and chief executive officer.

The board, in its fall meeting Thursday, also accepted the early retirement request of J. H. (Harry) Cannon as secretary and vice president and announced three promotions.

Senior High's Band Attends UNC-CH Event

Mooresville Senior High School's band, directed by Willie Beaver, was one of 29 North Carolina high school bands that participated in Carolina Band Day last Saturday at the University of North Carolina in Chapel Hill.

The more than 2,000 musicians from the 29 schools were featured during the half-time program at the UNC-CH—East Carolina University football game in Kenan Stadium.

UNC-CH Band Director, Major John F. Yeselatis, coordinated the annual event.

The bands formed a high UNC monogram on the field flanked by the colorguard in the end zone.

Selections rendered included: Duke University, worked at Burlington Industries in Gastonia before joining Cannon Mills in 1949. He served at a Concord plant for 10 years where he became assistant superintendent before being promoted to the executive offices in Kannapolis in 1959.

His responsibilities have included work in the distribution center, grade goods, towel department and sheet department. He was elected a senior vice president in 1971.

Holt has been president since 1962 and took over the additional role as chairman of the board upon the death of Charles A. Cannon in 1971. Cannon became the second president in 1921 upon the death of J. W. Cannon, who founded the company in 1887.

The police roped the reptile and helped the woman down. Rangers from the Texas Parks and Wildlife Service arrived later and took the alligator to a marshy area. The rangers said the reptile must have been forced by high waters to leave its own habitat.

Police in Orange, Tex., reported that a woman was rescued after being chased up a tree by a 10-foot alligator. She called for help, and a neighbor summoned the police.

Parents Visit Shepherd School First Graders

The teachers and 44 first graders in the team-teaching classroom at Shepherd School used American Education Week last week as an opportunity to invite parents of the children to visit and learn what public education is about these days at the beginners' level. Mrs. W. E. Miller is served punch by Mrs. Maria Moore during the open house, while other parents move through the serving line. Be-

tween Mrs. Moore and Mrs. Miller is William Ramsay, Shepherd's principal. Mrs. Moore is one of the teaching team's members, and Mrs. Frances Moore, at right, is the other. The parents were treated to a skit illustrating some of the work in progress by the class, and they were given a demonstration of the "teaching stations" and training aides used in the class.
