Women Worry About Hips; Bellies Bother Men Most

The size of their hips rather than their breasts worried more women participating in a recent study while men who answered the study found 30 per cent of the men were unhappy about the size of their bellies rather than other parts of their bodies.

The study was conducted by three social psychologists, Elaine Waster of the University of Wisconsin and Ellen Berscheid and George Bohndorf of the University of Minnesota.

Paid on sampling of responses from 62,000 readers of Psychology Today magazine, the study found 30 per cent of the men were unhappy about the size of their bellies while only 15 per cent were concerned about the size of their sexual organs.

Magistrate's Booklets Available In Iredell

The Consumer Protection Division has delivered an estimated 90,000 booklets to Clerks of Superior Court throughout the state explaining how magistrate's courts may be used to settle small claims.

And R. Douglas Kerans, special agent of the Consumer Protection Division, was in Statesville on Thursday to deliver 500 copies of the booklet to Clerk of Court Carl G. Smith.

"This type of distribution should call attention to the fact that the booklets are available—and that they are in the clerks' offices. We hope every North Carolina consumer and business operator will know about the booklet," he said.

Attorney General Robert Morgan, who created the Division in 1969, said: "The Magistrate's Court is the

people's court. It is provided as a service of state government, for the use of citizens who wish to have small claims and disputes resolved in court." Morgan said, "Many North Carolinians occasionally find themselves involved in a disagreement with another citizen. Often, the matter cannot be resolved easily. Each has a point of view, possibly regarding money owed by one to the other, and the positions are clearly in conflict. There may be a matter of principle involved, as well as something of value."

Christmas Trees To Be Displayed

Thirty-two Iredell County Extension Homemakers Clubs are sponsoring a project "Christmas Trees Around the World" at the fellowship hall of the Race Street United Methodist Church in Statesville. Mrs. R. L. Parker is chairwoman of the project in the Mooreville area and she said there will be seven trees on display. The trees will be decorated in traditions of other lands.

Dates for the public to attend the display are as follows:

Wednesday, November 28, 10 a.m. to 3 p.m.
Thursday, November 29, 10 a.m. to 9 p.m.
Friday, November 30, 10 a.m. to 9 p.m.
Saturday, December 1, 10 a.m. to 1 p.m.
On Thursday evening there will be special Christmas music at 7:30 p.m. There is no charge.

Promotion, Addition At Cist

The Lincoln-ton-headquartered Carolina First National Bank, which has three banking offices in Mooreville, this week announced a promotion within its management, and an addition to the staff.

A. C. Thompson, president of the bank, said James R. Beam has been promoted to marketing officer, and Paul E. Spivey has joined the bank as vice president and operations officer. Both changes were effective November 1.

Beam, who joined Carolina First in 1965, will continue serving as manager of the East Office in Lincoln-ton, Thompson said. His new duties include responsibility for overall marketing functions of the bank, in both advertising and public relations. Spivey came to Carolina First from First Union National Bank, where he served most recently as operations officer in Lumberton.

Banquet Speaker

Colvard Will Address Farm-City Week Banquet

This announcement was made earlier this week by W. R. Dellinger of Statesville, chairman of the Iredell County Farm-City Week committee.

Winners of the Farm-City Week poster contest will be announced at the meeting and outstanding farmers will be recognized, according to Dellinger.

The Farmers Cooperative Council of North Carolina, of which Colvard is secretary is made up of almost 100 farmer and rural cooperatives in the state.

Colvard has been active in many youth programs and heads up the council's public relations activities.

In addition to serving as secretary of the Farmers Cooperative Council of North Carolina, Colvard is manager of the North Carolina Milk Producers Federation.
