Chrismon Tree At Prospect Church To Be Dedicated Dec. 2

Prospect Presbyterian Church will have its first Chrismon tree this year. The dedication service will be during the 11 a.m. worship service on December 2, with the pastor, Rev. Kenneth I. Newman officiating and special music will be rendered by the church choir.

Much interest has been shown in the new tradition, not only at Prospect Presbyterian, but many other churches. Many hours have been spent making the lovely Chrismons with the Women of the Church being in charge of the project. Mrs. Roy Watkins served as chairman.

The idea of using Chrismons as decoration for Christmas trees was originated in 1957 by Frances K. Spencer in Danville, Virginia. In the preface of the instruction book on the construction of Chrismons entitled "Chrismons: Basic Series," Mrs. Spencer explains the origin of her idea.

"While searching for a way to honor the Christ, I came across some drawings of designs called Chrismons. The sketches I found were copies of Chrismons designed and carved or drawn by some of the earliest Christians.

"From a merely artistic viewpoint, the designs were quite beautiful. I saw that they would make lovely Christmas tree decorations. More than that, though, it occurred to me that, by using these early symbols of our faith to decorate the tree, we would bring out distinctly the real reason we celebrate this day of the year.

Further, I hoped such a Christmas tree would not only be worthy of being placed in the Lord's house but would also contribute to the spirit of worship in this holy season."

The word "Chrismon" is a combination of the parts of two words: CHRIST MONogram. Chrismons, as the name implies, are monograms of Christ. They have been drawn and

carved since the days of the earliest Christian community. Many of them are familiar to us and we use them as symbols of our faith in a variety of ways. Many of these "Christian symbols" can be found in the Newman officiating and special music will be rendered by the church choir.

A Woman's Prayer . . . Jaycettes To Entertain Residents Of Boys Home

By Louise Westmoreland

Dear God,

Make me a child this Christmas. Let the awe and wonder which gets lost in worldly attitudes, be born again in me.

Fill me with the desire to give to others the love splendidly demonstrated by Your gift of Your only son.

Give me joy which shines from every childish face, the rapture sung by Your own angels and the true spirit of giving, even as I give myself to you, in my Savior's name.

Amen
