Devils Travel To North Davidson For Important NPC, Division Game

Mooreville's Blue Devils North Piedmont Conference will be seeking their third win in an important Division

I battle at North Davidson Friday at 8 p. m.

The Blue Devils can take a big step toward winning the Division I race and a post season playoff spot by downing the Knights. A North Davidson loss would give every team in Mooreville's division one loss and the Blue Devils would have a 2-0 mark with division opponents North Stanly and North Rowan remaining.

Currently the Blue Devils are in a three way first place in the overall NPC standings. Like Mooreville, Davie County and East Rowan have 2-0 conference records.

North Davidson's Knights will present a tough test for the offensive minded Blue Devils. North will be attempting to rebound from last week's 13-13 tie with North Stanly, a game the Knights were favored to win.

Add the fact that the Blue Devil coaching staff promises North Davidson is always a tough team to defeat on their home field, regardless of the win-loss record.

The Blue Devil scouting report indicates that North is a much improved team over the one the Blue Devils steamrolled a year ago 45-12.
