*Another Eagle For St. Mark's Troop 162*

Mrs. Jay Wagoner's pride is evident as she pins the eagle badge on the shirt of her son, David, who was presented the scouting award during the 11 a. m. service Sunday at St. Mark's Lutheran Church. The new eagle's dad is at right. Others taking part in the presentation are, from left, Harry Smith, Troop 162 scoutmaster; Ernest Taylor, assistant scoutmaster; the Rev. Robert Edsell, St. Mark's pastor; and Mitchell Mack, a member of the Piedmont Scout Council's executive board. Troop 162 is sponsored by St. Mark's. Wagoner, 16, has been in scouting five years, and he became the 31st scout in Troop 162's distinctive history to win the eagle. He has been a troop assistant patrol leader, patrol leader and instructor. He is a member of the Order of the Arrow and the Troop Leadership Corps. The Wagoner family lives at 530 Briarwood Drive.

## Homemakers Plan Tour

Iredell County Extension Homemaker Club members have planned a bus tour of the Chinqua-Penn Plantation near Eden on Thursday, September 20.

The public is invited to join the homemaker club members on the tour.

Anyone wishing to go on the tour is requested to contact the Home Economics Agents' office, 715 Davie Avenue, Statesville, before September 14.

The group also will tour a new agricultural extension building in Guilford County, and visit Fieldcrest and Karastan outlet shops.

On the day of the tour, the bus will leave at 8 a.m., from the Newtowne Plaza in Statesville.

## BITS 'n PIECES

* By NANCY FARMER

**RED WATERMELON**

Who painted the watermelon red
And wrapped the green rind around it?
My heart asked this question today
As I walked through the patch and found it.

Who made the seed so black and perfect
And sprinkled honey through its heart?
What artist formed so beautiful a thing
That the farmer points with pride at the melon mart!

Who filled the melon so freely with liquid
While imprisoned in its pale green shell?
Who gave it the flavor that nothing else has
And imparted to it its individual smell?

Who . . but the One who made the sun . .
Who gave the rain to make it grow;
Only He could paint the watermelon red
The secret is His . . only He can know.

## Optimist And Opti-Mrs. Clubs Install Officers

The annual installation and awards banquet meeting of the Optimist Club and Opti-Mrs. Club of Mooresville was held last Thursday evening at the Town and Country Restaurant.

During the meeting, Bill Brown was recognized for his outstanding service to the club during the past year.

Retiring President Charlie Weatherman was honored as Optimist of the Year.

Brown presided over the meeting and spoke words of welcome. The invocation was given by Bill Sprinkle.

Harold Smoak of Charlotte, Optimist State Governor, was the guest speaker.

New Opti-Mrs. officers were installed by Mrs. Fay Cardinal of Charlotte, the organization's state governor. New officers are: Sandy Setzer, president; Josie Rhodes, vice president; Martha Giles, secretary; Hazel Sprinkle, treasurer; and Dottie Shives, director.

State Governor Smoak installed the new Optimist officers, these including: Charlie Giles, president; Darrell Wilson, first vice president; David Setzer, second vice president; and John Gabriel secretary and treasurer.

Optimist directors installed included: James Corriher, Willis Rhodes, Roy Thompson and Carroll Culberston.

The incoming presidents of both organizations spoke briefly prior to the adjournment of the banquet meeting.

## School Principals Unhappy With Legislative Proposals

The principals division of the North Carolina Association of Educators is dissatisfied with the legislative program proposed for public schools during the next fiscal year.

Ralph Kimel of Davidson County told the state Board of Education Wednesday the salary gap has closed between teachers and principals "and this should not happen."

Kimel asked the board to consider special salary raises for principals and superintendents as well as for teachers.

He was one of some 35 speakers who outlined money requests during a four-hour public hearing.

The board decided last week to hear from interested groups and individuals before completing its 1974 legislative budget. It will be submitted to the Advisory Budget Commission next month.

Kimel said the NCAE program does nothing to increase efficiency of school operation. He told the board each school should have a full time secretary paid "above poverty level."

Kimel also requested state cars for principals and more money to operate schools.

The NCAE, The North Carolina School Boards Association and the state PTA made requests that had not been met in their 1973-74 legislative programs.

Dr. A. C. Dawson, executive secretary of NCAE, said the annual legislative program would cost about $75 million. The major item calls for a minimum 5 per cent pay hike for all personnel and additional raises for some experienced teachers. The division of superintendents of the NCAE outlined a list of 16 legislative goals. It included a minimal $10 per pupil allocation to eliminate student fees and more money for school food services.

The School Boards Association, the PTA and the NCAE requested a speed up in implementation of the statewide kindergarten program.

*Constitution Week Observance Encouraged*

You remember the Constitution, that revered recipe for democracy. It has been in the news quite a bit lately, usually because somebody was lamenting its terminal illness. Well, the Constitution isn't sick, and it hasn't changed one iota. Those who live under it have changed, and our health as a nation is a matter of considerable concern. September 17-23 is Constitution Week nationally by presidential decree, and in Mooresville by mayoral proclamation. The Mary Slocumb Chapter of Daughters of the American Revolution is encouraging interest and participation in the annual observance designed to reacquaint Americans with the basis for the rules they live by. Mrs. Hal Johnston is librarian at the Mooresville Public Library, and she is a member of the local DAR chapter. She was acting in both capacities this week when she introduced these boys to various sections of the library where copies of the Constitution may be found and studied. Looking over reference books with her are Warren Nelson, center, and Dickie Barber.

VOTE NO
Prevent More Busing!
If the Mt. Mourne-Mooresville School merger goes through, nobody can say with authority there will be no busing, for the simple reason all schools will bus school pupils in accordance with the court mandate.
