South JVs Whip West For 5th Win

It wasn't not enough in the kitchen, so South Iredell turned up the heat.

South Iredell's junior varsity football team assumed the role of the aggressor particularly from the intermissin break on and wound up cruising to a 30-0 Foothills Athletic Conference decision over visiting West Iredell Thursday night.

The jayvees broke free from an 8-0 lead enjoyed after the first two periods of play and scored the only 22 points of the second half, including a 16-point spree in the third quarter, to whip the guesting Warriors in the battle of cross-county neighbors.

The victory, the fourth in a row notched by coach Ron Shepherd's crew, enables the Baby Vikes to boast of a 5-1 overall record and a 3-0 mark within the FAC entering a week that will provide them with a break from conference play.

"It started getting a little chilly there in the second half," revealed Shepherd, a varsity assistant to veteran Bill Mayhew who assumes control of the jayvee action, "so we decided to make our own form of heat. We pretty much controlled them throughout the game, but we didn't hurt ourselves with penalties in the second half. We're playing well right now both offensively and defensively. I just hope we can keep it up."

Though not able to reflect it until the season half, the hosts completely dominated the show from the outset, gathering in over 300 yards of total offense to less than 50 covered by the visiting Warriors.

South Iredell ball carriers rushed for 255 yards on 42 attempts, while the team added 54 yards passing by completing five of 13 attempts.

As for West, it managed only 32 yards on the ground and a mere four more through the air.

The only thing that stopped the Vikings was the Vikings themselves, as they suffered 78 yards in penalties.

Running back Toussant Clark captained the winning effort with 125 yards in 13 carries. He also rushed for one touchdown and added a two-point conversion. Mike White made the most of his 11 rushed for 78 yards, scoring a trio of six-pointers and tacking on a conversion run. Quarterback Trey Cutrell piled up 21 yards and chipped in on the scoring with a conversion dart.

In the receiving department, Chris Brown, Clark and Jason Dishman all snared one pass each, the first two good for 15 yards and the third covering 10 yards.

When the defense was on the field, it made its presence felt, as the Baby Vikes forced five turnovers, two on interceptions and the rest via fumble recoveries.

Shane Russ and Jeff Arnold cradled the aerial thefts, while Dishman, William Cash and Jay Ervin pounced on Warrior bobbles.

South's White started the scoring with a 24-yard dash to paydirt with 7:34 left in the first half. Clark upped the advantage to 8-0 with the conversion run.

About midway the third period, Clark registered his TD with a two-yard dash, Cutrell then provided the 15th and 16th points with his conversion.

White rambled 35 yards for his second touchdown of the night on the jayvees' very next possession, and he then plowed over from two yards out for the conversion.

White then capped the scoring for the game with his third run-scoring effort, this one covering three yards in the fourth period. The conversion attempt failed, leaving the margin at the final of 30-0.

With the win, South remained tied at the head of the FAC jayvee class with Statesville, both at 3-0.

The Viking jayvees will make their final non-conference call of the season tomorrow (Thursday) night when they visit Maiden of the Southern District VII Conference.

South Iredell will then resume league play the following Thursday night when it tackles incoming North Iredell.

All of the jayvee games carry 7 p.m. starting times.

Southland's Mavericks Cop 1st Win

Saturday will go down in history for the Southland Football League's Mooresville Burlington Mavericks.

The Mavericks, one of four Mooresville teams that began life this season as a member of the Southland League, became the third to register a win this season and snared its first ever decision as a member of the established youth football organization.

The Mavericks, one of two 1067 teams competing in the Pee Wee Division, were the only Mooresville-area team to secure a win Saturday, doing so with a 6-0 decision over the Sherrills Ford Redskins on the Lincolnton High School field.

All four teams were in action Saturday, the other three all falling in defeat.

Also at the Pee Wee level the Trazer Terminators dropped a 28-14 verdict to the East Lincoln Mustangs.

At the Midget division, the Civitans sufered a hard-fought, 8-0 loss to East Lincoln, while the Black Knights were defeated, 12-0, by Sherrills Ford.

In the case of the Terminators and Civitans, Saturday's losses stopped a two-game winning streak on the part of each, while the Black Knights continue winless in this Mooresville's first season as Southland League members.

For the first-time victorious Mavericks, Brian Martin's 30-yard touchdown run spelled the difference in the defense-dominated affair. Teammate Joey Church also scored on a TD run, but it was nullified by a penalty.

Pitching in offensively for the Roger Lambert-coached Mavericks, in addition to Martin and Church, were Travers Sloan and Josh Ramsey, while the defense was spearheaded by the play of Gregory Kennedy, Ty Cross, David Smith, and Steven Messick.

The Terminators were the only other Mooresville team to score Saturday, as Joshua Hopkinson rambled for both touchdowns and converted one of the conversion-runs. Roderick Campbell also played well on offense for coach Trae Farthing. On defense, solid efforts were turned in by John Mork, Danny Munday, Chris Taylor, and Bo Adkins.

In the Civitans' 8-0 loss, Peter Scire, Daron Patterson, and Ryan Whittington contributed to the coach Tommy Messick-designed offense, while defensively, Shon Vanderbury and Scott Hager were the most noticeable.

Chad Greene performed well on offense and defense for the downed Black Knights of coach Talmadge Connor, with help coming from Damon McKee and Vince Vavrunek.

All four teams are once again tabled for active duty this weekend, with the games taking place in the North Gaston High School Stadium.

The Terminators kick off action for the local teams by squaring off against Lincolnton at 1:30 p.m.

In the game immediately following, the Civitans also tackle Lincolnton.

In a 4:30 p.m. affair, the Mavericks will tackle the High Shoals Raiders.

In the day's final attraction that features a 5:45 kickoff, the Black Knights take on the Raiders.

This weekend's games are the next-to-the-last of the regular season. The following weekend, the four Mooresville teams will play on their home turf for the second Saturday this season, as they will serve as league hosts.

Also on that final day of regular-season play, the two teams at the Pee Wee level and the two in the Midget division will square off against one another.

Final seedings will also be decided on Oct. 24, and all the teams will then play at Bandys High School on league-wide Bowl Day Oct. 31.

Red Imps Bag 'Huge' BCC Win

Mooresville Junior High's Bi-County Conference football victory at host Lincolnton Wednesday evening was bigger than big.

"It was huge," declared Joe Pinyan, first-season mentor of the Red Imps, after his team made up a six-point deficit in the final two minutes to capture a big-play filled, 21-20, victory over the Wildcats in a crucial conference game for both teams.

The triumph keeps the Imps undefeated in league play, at 2-0, and puts them back over the .500 mark, at 2-1, overall, heading into this (Wednesday) afternoon's second and final meeting of the season against an outside opponent.

Today's game, which carries a 5:30 p.m. kickoff time in the Mooresville Stadium, also carries additional significance, as the Red Imps will be celebrating Parent's Day.

But it was last week's game that produced a win worth celebrating, as the Imps collected only their second win ever over Lincolnton and the first on the that teams' home field.

"Anytime you go to Lincolnton and win," beamed Pinyan, called on this season to replace Randy Bolton as head football coach, "you have to consider it an upset. We were down, but never out. The kids never gave up. We had one last shot, and we made it a good one. This is definitely a huge win for us."

Mooresville took the lead early, by a 7-6 count after one period of play, but Lincolnton roared back to take command at intermission with a 14-point second period to hold a 20-14 advantage at the half.

After a scoreless third period, the Red Imps marched 75 yards in two plays to tie the score and booted their third straight point after kick to squeeze ahead by one.

The game was still in question into the final seconds, before a Junior High interception thwarted Lincolnton's last chance and iced the decision.

"We made some adjustments on defense at the half," explained Pinyan, whose team allowed all 20 points in the first two quarters. "I got on them a little about our play in that first half. We pretty much held them in check in the second half, and that interception was a big one for us."

It was stolen by Fred Brown, who was converted to a linebacker during the game after spending most of it as a two-way lineman.

With Brown making the big defensive play, the offense was similarly keyed by one outstanding performer.

Running back Decomba Connor continued his ground assault, as he broke the 100-yard rushing barrier for a third straight time. Connor, who has ruyshed for nearly 500 yards in only three games, finished the game with 181 yards and all three touchdowns, two of them from offensive formation and the third on his second kickoff return for a score this season. His first came on the season's opening kickoff against West Lincoln.

Connor scored on a rushing jaunt of 40 yards in the first quarter, and then he brought the guests to within a touchdown of tying the score on his 85-yard kickoff return to account for the second-quarter score.

He was then called on, and again responded, in the fourth quarter by reaching the end zone on a 27-yard dash.

That final score was set up beautifully on a halfback pass from Connor to Otis Cowan that covered 48 yards.

As vital as the rushing efforts of Connor were, the deciding point came down to the foot of Jason Stutts. Stutts earlier provided the point-after kicks following both of Junior High's other two scores, and he made it a perfect three-for-three with his boot that wound up providing the winning margin.

With Connor, Stutts and Cowan receiving recognition for their offensive contributions, Brown, Cowan, and Mark Trazer, the latter who pitched in with four saving tackles, were additionally singled out for their efforts on defense.

The 2-1 Red Imps will be seeking their first win outside league play when they entertain Hibriten Junior High this evening in the school's annual Parent's Day attraction.

Today's game, during which parents of the players will be recognized at the half, will be the Imps' final one of the season against a non-conference foe.

Mooresville will resume BCC play the following week by visting East Lincoln prior to closing out the season by hosting Statesville Oct. 28.

Prospect Community News Briefs

By MRS. LURLIE McNEELY

—The Mexico Mission Program was held Sunday night with a finger food supper at 6 p.m. Our missionaries to Mexico presented slides and answered questions about their trip and work there. This was a family event held in the church's fellowship hall.

—Our guest minister Sunday will be the Rev. Jack Shaw, who is known for his outstanding work at Camp Grier.

—Don't forget to take your papers to the paper bin in the church's parking lot. The bin will be there all next weekend. If you need help, call Mark at the church office, phone (704) 664-1514.

—Mrs. Polly Gregory remains a patient at the Lake Norman Regional Medical Center in Mooresville.

—Our Christian sympathy is extended to the Alexander family in the death of their sister-in-law, Mrs. Ester Seamon Alexander.

—On Friday, Oct. 23, P.M. Magazine of WBTV, Charlotte, will feature Carrigan Farms.

—Mr. and Mrs. Clarence Keener spent the weekend in Rock Hill, S.C., visiting Mr. Keener's twin brother, Mr. Lowrance Keener, and other family members.

—Mrs. Dot Shook of Statesville was Sunday dinner guest of Mrs. Katherine Powers and Mr. and Mrs. Clarence Powers.

—Elected to the office of deacon on Sunday were Tommy Blackwelder, Tim Fries, Bill Hart, Hal Stutts, Eric Teeter and J.C. Wilson.

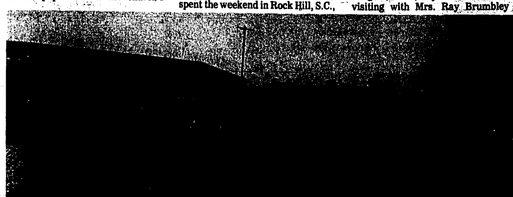
—Mr. and Mrs. Terry Brumbley of Ringold, Ga., spent last week visiting with Mrs. Ray Brumbley and other relatives and friends in the area.

—Mr. and Mrs. Jim Kipke, Amanda and Scarlett left by plane Thursday for a six-day visit to Florida, visiting Disney World and other places of interest. Amanda is a student at Appalachian State University at Boone, while Scarlett is a student at Louisburg College. They are spending the fall break with their parents.

—Mr. and Mrs. Tom Carrigan of Raleigh spent the weekend with his parents, Mr. and Mrs. Wade Carrigan, and other relatives in the area.

—Mr. and Mrs. Roy Watkins attended the Watkins family reunion on Sunday at Mount Gilead.

—Visiting in the home of Mr. and Mrs. Jerry Powers is their daughter, Mrs. Jill McGee of Phoenix, Ariz., and her daughter Alyson.



Mount Mourne School Emphasis On Fire Safety

Students file out of Mount Mourne Elementary School one morning last week as they participate in a 9 o'clock fire drill that was conducted throughout the county school system as part of its observance of National Fire Safety Week. Units of the Mount Mount Volunteer Fire Department also took part in the exercise, and firemen and equipment stood by during the school evacuation. Several VFDs also conducted fire-safety and fire-fighting demonstrations at schools.

Quarterly Test Of McGuire's Sirens Saturday

Unless you learn differently between now and noon Oct. 17, don't be alarmed by the McGuire Nuclear Station alarms.

Duke Power announced early this week it will conduct a regular quarterly test of sirens at and within a 10-mile radius of the generating plant off N.C. 73 at the southern end of Lake Norman.

Repeat: the blast of the sirens around noon Saturday will be only a test. The sirens will sound about three minutes. You do not need to do anything except put up with the noise — and be glad it's there if you need it.
