TO COLUMBUS

We apologize for having forgotten your honored Day. Yet we truly thank you for coming to our shore. Where would we be all these years later Had you not pried open America's door?

But I have a question for you, Dear Christopher. 'Tis this: I confess I often wonder Would you be happy with your achievements Or berate yourself for an all-time blunder?

Could you look down through the corridors of time, See the fiascos of Watergate, Vietnam? Would you be allied with our enemies, Or be loyal to Uncle Sam?

What would you say to the President's choice For someone to fill the vacant Judge's seat? And would your feeble heart be broken To witness in our lawmakers, gross deceit?

Now tell me, Dear Columbus, if you could know Of the turmoil that's overtaken our society, Would you feel guilty—perhaps even weep For our modern-day lack of religious piety?

But no, Dear Columbus, spare your tears. Our thanks to you for blazing the trail. Think of all the good things we'd be missing Had you—discouraged—refused to sail?

Six-Part Film Series At Shearer Presbyterian

A six-part film series—Turn Your Heart Toward Home—is scheduled to be shown at Shearer Presbyterian Church, beginning Oct. 18 and continuing each Sunday evening at 7 o'clock through Nov. 22.

In this bold new film series, America's most trusted family life expert—Dr. James Dobson—brings his vast experience to bear on one of society's most pressing challenges—the protection and strengthening of family relationships.

Citing example after familiar example, Dr. Dobson portrays the pressures today's parents are susceptible to. He reminds parents of society's

slide toward humanism—the undermining influences of radio, television, films and the press which can only be counterbalanced by a loving home where Christian values are instilled from an early age.

The films and the dates of their showing are as follows:

—Oct. 18: A Father Looks Back emphasizes how swiftly time passes and appeals to all parents to "turn their hearts toward home" during the all-important child-rearing years.

—Oct. 25: Power In Parenting: The Young Child begins by exploring the inherent nature of power, and offers many practical helps for

facing the battlegrounds in child-rearing—bedtime, mealtime and other confrontations so familiar to parents.

—Nov. 1: Power In Parenting: The Adolescent discusses father/daughter and mother/son relationships, and the importance of allowing children to grow and develop as individuals.

—Nov. 8: The Family Under Fire views the family in the context of today's society, where a "civil war of values" is being waged. Dr. Dobson urges parents to look at the effects of governmental interference, abortion and pornography, and to get involved.

—Nov. 15: Overcoming A Painful

Childhood includes Shirley Dobson's intimate memories of a difficult childhood with her alcoholic father. Mrs. Dobson recalls the influences which brought her to a loving God who saw her personal circumstances and heard her cries for help.

—Nov. 22: The Heritage presents Dr. Dobson's powerful closing remarks. Here he speaks clearly and convincingly of four traditional values, which, if properly employed and defended, can assure happy, healthy, strengthened homes and family relationships for years to come.

Films 1, 5 and 6 were filmed before a capacity audience of 16,000 at a

historic pro-family rally in Cincinnati's Riverside Coliseum.

Films 2, 3 and 4 were filmed at a weekend retreat at The Navigators' Glen Eyrie Christian Conference Center near Colorado Springs, Colo.

Each evening, a nursery will be provided and activities are planned for children.

There will be refreshments and a time of fellowship following the showing of each film.

The Rev. Wade Malloy, pastor of Shearer Presbyterian Church, joins the members of the church in inviting the public to attend the showing of the films.

The church is located south of Mooreville at the intersection of Shearer and Presbyterian Roads.
