

Lady Vikes Spike Hopes Of Fillies

South Iredell was there at both the beginning and the end of East Rowan's volleyball season. And the results were the same. And because they were, it is South's Lady Vikes, not the favored East Fillies, who earned the right to advance into this week's second round of the state 3A volleyball playoffs.

In last Thursday's night's opening-round match on East Rowan's home floor, the visiting Vikes registered their second victory of the season over the hostesses with a straight-game match win.

The Lady Vikes battled back from deficits in both of the first games to take wins of 15-13 and 16-14, before they finished off the East Rowan lasses in game three, 15-10, to complete the sweep.

It marked the second meeting of the season between the two teams.

In the first match of the campaign for both teams back in early September, South Iredell overcame East Rowan in a five-game thriller.

For the season, the Fillies, champions of the South Piedmont Conference, suffered only three losses in 24 matches, two of them coming at the hands of the Vikes, third-place finishers during the regular season within the Foothill Athletic Conference.

As for the Lady Vikes of head coach Sandy Torrence, the win hiked their overall record to 11-4, a mark they took into last (Tuesday) night's second-round bout at home against Fred T. Ford.

"It's really been a total team effort this year," beamed Torrence. "We're getting it all together and peaking at just the right time. This has been a fantastic group of girls to work with. We had read in the paper where East Rowan felt this might be their season to go all the way. I guess they kind of forgot about us. We helped them remember."

South Iredell, employing a 6-2 offensive alignment, fashioned a three-place showing in the FAC during the season, placing behind league champion Forbush and runner-up North Iredell.

Ironically, should the Vikes survive round two, they will meet one of those two teams in the third round, as they, too, were slated to square off in second-round action Tuesday night.

South Iredell split its two matches during the season with North Iredell, while both of the team's affairs against Forbush went the full five games before the Lady Falcons triumphed.

This year marks South Iredell's first trip to volleyball postseason play since becoming a charter member of the FAC three years ago.

The reason there are so many names of Smith today is that during the Middle Ages the name was used for all metalworkers, or smiths, which means "to beat."

The reason there are so many names of Smith today is that during the Middle Ages the name was used for all metalworkers, or smiths, which means "to beat."

Mooreville's Homecoming Queen, Princesses Crowned

On a picture-perfect night for such a celebration, Mooreville Senior High conducted Homecoming ceremonies for 1987 Friday night, with the three-legged crowning blow taking place at halftime of the Southern District VII Conference game between the host Blue Devils and Cherryville's Ironmen. In keeping with trend started several years ago, in addition to a member of the Class of '87 being tabbed as the queen, one member each from the junior and sophomore classes were also honored as royal family members by being crowned princesses. Kristen Gleason, seated on the throne, wears the bright smile of this year's Homecoming Queen. She is the daughter of Mrs. Donna Davis and Rex Gleason. Representing the junior class as a princess is Wendy Moore, left, the daughter of Mr. and Mrs. Jimmy Moore, while Kathryn Teeter, the daughter of Mr. and Mrs. Carroll Teeter, holds the bouquet of flowers honoring her as the sophomore class princess. The royal trio was additionally treated, as the Blue Devils scored in the game's final minute to record a 21-14 victory over the Ironmen to complete the celebration.
