

South Iredell High's Class Of '77 Renew Not-So-Old School Ties

See all the happy people. Perhaps they realize that a mere decade of inevitable erosion isn't as damaging as they had thought. They are 1977 graduates of South Iredell High School, and, truth be told, their likenesses are not that far removed from those in their yearbooks. Of the 230-member class, 80 gathered recently for their 10th-anniversary reunion at the Cornelius-Lake Norman Holiday Inn. Everybody recognized

everybody, and some were recognized for various achievements, including the classmate who came all the way from Santa Rosa, Calif. to join the fun. The class paid tribute to Tony Moore and Jimmy Schronce, its members who have died. The group voted unanimously to do it all over again in another five years.

Fall is the best time of the year for establishing a healthy lawn. Even well established lawns benefit from a fall feeding. Grass grown from a fall sowing will survive dry summers 30% to 40% better than spring sown seed. Fall sowing also helps grass compete better with broadleaf weeds and grasses like Bermuda and Crabgrass. The new Turf Type Fescues and Hybrid Bluegrasses are proving to be far superior to KY31 Fescue in vigor, color and growth habit. We recommend you give one a try.

A Nostalgia-Filled Night For Two Generations

High school reunions provide a time to remember and reminisce and a time to catch up on friendships that have faded over the years, but for two Mooreville families reunions held earlier this month were special affairs that produced memories in addition to rekindling them.

The classes involved were the Mooreville High class of 1937 and the Mooreville Senior High school class of 1972. Both reunions were held Sept. 12 at The Boardwalk restaurant in Mooresville. And two Mooreville families were represented in each class. Taking part in the 40th anniversary of their class were '37 graduates Mr. and Mrs. John McConnell and Bill Fox, accompanied by his wife Helene. In the next room, celebrating the 15th anniversary of the class of '72, was the McConnell's daughter Mary McConnell Matlock, accompanied by her husband Bruce, and the Fox's son Don. Before too much reminiscing took place, the parents of offspring took time to pause for a picture that would certainly find a spot in at least two family photo albums. The celebrants are, from left, Mary Lee and John McConnell; Marilyn and Bruce Matlock; and Helene, Don and Bill Fox.

## Booting Past Other Teams Protects Vikes' Top Spot

South Iredell's boosters are giving other teams the boot. And the Vikes soccer team remains perfect because of it.

South Iredell, recorded consecutive victories number seven and eight overall, and three and four within "Foothills" Athletic Soccer Conference play, during a five-day span this past week.

The Vikes emerged victorious from their most hotly contested battle Monday night with a 4-1, overtime escape past host and league foe Statesville.

That thrilling battle followed last Wednesday night's 7-0 scalp of the visiting West Iredell Warriors.

As a result, the Vikes head into this (Wednesday) evening's battle toting a perfect, 9-0 record overall and a 4-0 mark within the FASC in this season during which the team is attempting to snare at least a share of the conference crown for an unprecedented third straight time.

In the overtime, Vike David Deese kicked home a pair of winners some 10 minutes apart, and then teammate Darrin Cook slapped home the winners' final tally with a minute remaining in the extra period.

South Iredell finished with 21 shots on goal, to 20 for the Greyhounds, with visiting goalie Jackie Wallace turning in a save-packed effort in the net.

At home against the cross-county Warriors Wednesday night, the Vikes clung to but a 1-0 lead at the half, thanks to the repeat-public-works attraction labeled for Oct. 10-11.

Registration for the event, a yearly stop on the local tour, is currently underway, and it will continue to do so through Sunday. If the maximum number of 120 golfers sign up before the deadline, however, then the registration will close on Saturday.

It is imperative that those wishing to take part in the attraction make plans to do so as soon as possible.

The entry fee is \$50 per player. The covers only, and it will include the use of a golf cart, and a host of other tournament-only luxuries being provided to players.

This year, the affair is being sponsored by Vikes Enterprises, which has pitched in with a number of features to add spice to the yearly event.

It marks the first time the Bluebird Open has garnered a sponsor.

Among the additions is a catered supper for the players following the first night of play.

## SISA Teams Win Seven Matches

The South Iredell Soccer Association performed at a 777 pace this past weekend, clubbing out seven wins in nine reported outings.

The SISA collected a pair of wins in Division I, Division II, and Division III, while it added one win in Division IV.

In a Division I battle, the Brawley Express bested Central, 3-0, behind two goals from Zac Rhoton and one from Jason Phifer.

Wayley Harrington tallied two goals, and also pitched in on defense as goal keeper, to help carry the Division I Brawley Cyclones to a 4-0 defeat of Colesville. Sam Hyatt and Bud Austin each added one goal, while Branch Smith and Eric McDaniels joined Harrington in helped preserve the shutout.

Also in Division I, the Broncos lost to Troutman.

In Division II play, the Brawley Chargers tamed the West Bobcats, 4-0, behind a pair of goals each from Scott LeTourneau and Brian Degan and one apiece from Alan Sandoval and Emily Cohen. Josh Hicks was credited with an assist.

The Brawley Panthers received goals from six different players in an 8-1 pounding of Harmony. Bart Abernathy and David Cloninger scored two goals each, and Jimmy Frye, David Ballard, Stephen Robinson, and Brent Thompson all kicked in one apiece to provide a balanced offensive attack.

The Brawley Turbos suffered a 2-1 loss to the Troutman Bobcats, with Ryan Burton providing the lone goal

for the losers.

In Division III, the Brawley Cougars—swamped Celeste, 7-0, behind a hat trick of three goals by Jamie Pope and one re-finding kick each by Ben Johnson, Mark Wilson, John Neely, and Justin Woolledge. Assists were credited to Brian Deaton, Jason Freeman, and Stewart Mullins. Richard Staff and Matt Spielman contributed heavily to the defense.

Also in Division III, the Brawley Stars headed the East Headers, 4-0, as Rusty Thompson pulled a hat trick and Andy Sloan provided the fourth goal.

In Division IV, the Brawley Blast slapped a 2-0 decision on West Iredell, as Stephen Hood and Jayson Smith accounted for a goal each, while Sam Cohen and Donovan Brown combined to register the shutout in goal.

SISA matches take place on Saturdays, with the local teams playing their home contests on the Brawley Middle School field.
