Amateur Radio Field Day June 22-23

Members of the Iredell County Amateur Radio Society will conduct their annual Field Day exercises June 22-23 at Allison's Woods, off U.S. 21, north of Statesville.

Amateur radio operators will erect several radio stations at Allison's Woods during the Field Day activities.

Local radio operators will contact other amateur operators throughout the world from 2 p.m. June 22 until 2 p.m. June 23.

The public is welcome to attend the group's Field Day exercises June 22, from 1 p.m. to 4 p.m.

Crescent EMC To Hold Open House June 30

Crescent Electric Membership Corporation will hold an open house showing of their new Cornelius district office June 30 from 3 p.m. to 5 p.m.

The new office is located at 18019 Old Statesville Rd. between Cornelius and Huntersville.

Members of the Crescent EMC board of directors and district employees will be on hand to greet and talk with visitors.

Tours of the new office will be provided, along with refreshments.

All Crescent EMC members and the general public is invited.

Center To Offer Four Teacher Renewal Courses

Mitchell Community College's Mooresville Extension Center will offer four teacher renewal certification courses in June and July.

"Adventures in Attitudes," June 24-27, will meet from 9 a.m. to 4 p.m. at the Mooresville Center, which is located at 219 N. Academy St.

The course will help participants discover the power a positive attitude can have in both their personal and professional lives.

Among the topics included in the course are: communication skills, self-understanding, self-confidence, understanding of others, personality development, motivation and others.

"Assertive Discipline," July 9-11, will meet from 9 a.m. to 3 p.m. at the Mooresville Center. Class size will be limited to 20 participants.

This course will provide teachers with the skills necessary to identify student wants and needs and to identify obstacles for meeting those wants and needs. The course will also help teachers develop consistent and effective methods of improving classroom performance.

"Assertive Discipline for Severe Behavior Problems," July 16-18, will meet from 9 a.m. to 3 p.m. Class size will be limited to 20 participants.

This course will help teachers understand and effectively deal with children with severe behavior problems.

"Effective Teacher Training," July 29-Aug. 2, will meet from 9 a.m. to 4 p.m.

Topics to be covered by this course: learning expectations; time management; instructional preparation, feedback, monitoring and presentation; behavior management and others.

All classes cost $25; some require added fees for textbooks. For more information, or to register, call 663-1923.
