Two Locals Win Honors At Peace

Two students from Mooresville have earned academic recognition at Peace College in Raleigh.

Beth Davidson and Kathryn Teeter were among the Peace students named to the college's dean's list "with distinction" for the 1991 spring semester.

Davidson is the daughter of Mr. and Mrs. Robert Davidson. Teeter is the daughter of Mr. and Mrs. Carroll Teeter.

To qualify for the dean's list, a student must attain a grade point average of at least 3.3 out of a possible 4.0. She must receive passing grades in all subjects and carry at least 12 hours of course work.

By achieving a minimum grade point average of 3.7, a Peace student earns the more select status of dean's list with distinction.

Peace is a two-year liberal arts college for women.

Who's Responsible For This Mess?

A bin for recyclable waste, parked in the Mooresville Marketplace parking area at the intersection of N.C. 152 and McLelland Avenue, collected more than the desired aluminum, newsprint and plastic bottles last week. Old toys (see inset), glass bottles and other non-recyclable trash found their way into the bin and in the parking area around the bin. Assistant manager Janice Turnbull said Wal-Mart, which sponsors the recycling service along with BFI Waste Systems, would continue offering the recyclingy service, despite irresponsible dumping.
