Winning Now Routine, Winning Season Next

Before the initial season began, just winning was concern enough for Mooresville Senior High's first-year girls soccer team.

But now, halfway through the campaign and on the wheels of a two-match winning streak, a winning season is not out of the Lady Devils reach.

"A .500 season for us," suggested Steve Stith, Mooresville's veteran boys soccer coach in his inaugural stint as the girls team mentor, "which would have seemed out of the question when the season began, is now within sight. It's within our reach. That would be quite an accomplishment for our first year."

Mooresville made such an accomplishment closer to reality with its first outing back following an extended Easter holiday break.

It came in the form of Monday night's 7-2 pounding of visiting Charlotte Christian.

The win was the second straight for the Devilettes, who has assured themselves a happy holiday break by garnering what was then their first win by downing fellow first-year participant Davie County in the last outing prior to the nearly two-week-long idle period.

"We've won two in a row," beamed Stith. "That's something considering that, when the season started, we were hoping to win that many all season. The girls are really showing some progress, and that's our goal. Of course, it helps when that progress shows up in our record. We've probably already done a lot better than we thought we would."

Despite a hiatus that dated back to that March 26 win over Davie County, the Lady Devils showed little sign of rustiness at home Monday.

The hostesses raced out to a quick, 3-0 lead in the first period and commanded a 3-1 advantage at the halftime break.

The early offensive fireworks the team displayed in the opening period were dampened by a late-quarter downpour.

After the rain departed in the second half, the home team returned to earlier form, filling the Christian net with four more goals in the second half, while allowing but a single scratch, to account for their second straight win and first in two scheduled meetings over their Independent class opponents.

The victory was another feather in Mooresville's cap, as it was the school's first over a veteran program. Christian has been fielding a girls soccer team for the past four years.

Devilettes freshman Amber Cohen, a forward, keyed the winning attack with a hat trick of three goals, strengthening her position as the squad's top offensive threat. Cohen upped her status as the team's leading scorer with the season's first three-goal performance.

Three other Lady Devils contributed to the scoring with at least a goal apiece.

Meredith Campbell, also a freshman, landed a pair of goals, while Leslie Alexander, a tri-captain and one of just three seniors on the roster, and Debbie Owens, a sophomore, each kicked home a goal.

Joannah Roseman, a freshman, and Charlotte Hill, a sophomore, put together bookend displays while working a half each in the Mooresville net as goalkeepers.

Roseman allowed a single Christian goal in the opening 20-minute period, and Hill deflected all but one of Charlotte's shots during the final half. Combined, the keepers piled up eight saves.

Monday's match marked the first of two scheduled for the team in its first week back in action.

Mooresville was scheduled to conclude the season series against Charlotte Country Day, one of the three teams to hand the Lady Devils a defeat, later this week.

Monday's match was also the next-to-the-last home affair for the Devilettes, who have yet to play a game on the road.

The team's final home appearance will be against North Mecklenburg later this month.

Tax-Free Bonds

A great way to protect yourself from higher taxes.

Congress has agreed on a new budget, and taxes are going up. The agreement raises a variety of taxes, including income taxes. This means that tax-free municipal bonds are even more attractive for individual investors. Call me today to find out how you can protect yourself against the effects of rising taxes with tax-free municipal bonds.

CPL. AND MRS. RICHARD ALLAN RUMMAGE

Grandson Of Local Couple Weds Miss Bubat In California

Father J.R. Daily officiated at the January 23 wedding of Marianne Alegato Bubat and Marine Cpl. Richard Allan Rummage in the Memorial Chapel at Camp Pendleton, California. The ceremony was performed at twelve o'clock noon.

The bride is the daughter of Pastor and Marina Alegato Bubat of San Cerlos City, Negros Occidental Phillipines. The groom is the son of Bill and Annette Rummage of Moonlight Bay, Sherrill's Ford and the grandson of Paul and Ruth Rummage of West Park Avenue, Mooresville and the late Tom and Anna Quagliaroli of Windsor Lochs, CT.

Attending the bride as maid of honor was Lenora Tantay and the groom's best man was Cpl. Michael Erisman.

Due to "Desert Storm" and the groom-to-be on a one-hour alert, the couple had to change their wedding plans. With the tight security, parents and grandparents of the couple, as well as of base friends, were unable to attend.

On Saturday, Jan. 26, a beautiful traditional wedding reception was hosted off base by friends of the newlyweds. This included a three-tiered wedding cake with Phillipino and American foods. The groom was unable to stay for the entire festivities, since duty called.

On Feb. 5, courtesy of the Marines, the couple had a two-day honeymoon in Reno, Nevada.

Red Imps, 1-0, Set To Resume

Mooresville Junior High's baseball team is hoping post-Easter is just as good to it as was the time before the recent holiday.

That's the case as the Red Imps entered their extended break from action harboring an undefeated record both overall and within Tri-County Conference play.

With a couple of pre-Easter games originally scheduled, the Imps were able to get in just one of them.

It wound up being a victorious effort with a 5-2 downing of Corriher-Lipe.

As a result, Mooresville carried its 1-0 record into the holidays.

The Imps are to resume their regular playing slate this week with a pair of league games on tap within as many afternoons.

The Red Imps of head coach Rick Spielman return to diamond activity with a home game tomorrow (Thursday) afternoon against Knox.

Your chances of surviving a heart attack just got better.

Over a million and a half Americans had heart attacks last year. Tragically, a third of them didn't survive.

But now, heart attack victims in this area have a good chance to beat those odds. That's because our hospital has joined the Carolinas Heart Emergency Network.

This network of hospitals throughout the state was formed to provide heart attack victims with the most advanced cardiac care available today.

Immediate response. Fast diagnosis. Treatment with new clot-dissolving drugs. They are all available at our hospital. And they all mean your chances of surviving a heart attack just got better.

For more information on the Carolinas Heart Emergency Network, just call us.

From Devilville To Tigerville For Mooresville Defender

Former Mooresville Senior High football linebacker Johnny Redfear, seated, considered the top defensive player in the Southern District Seven Conference last fall, is on the move. Redfear, twice an all-conference selection, is signing his moving papers taking him from Devilville to Tigerville, S.C. That's the home of North Greenville Junior College, which has offered Redfear a football scholarship. Tackling the offer much as he did ballcarriers during a Blue Devil season that ranks among the most successful in school history, Redfear has accepted it. With him at the signing earlier this week are his parents, Nora and Johnny Redfear, Sr., who flank Mike Carter, Mooresville's head football coach. At North Greenville, a member of the National Junior College Athletic Association, Redfear is expected to play in the defensive backfield.

Yacht Club To Host April Regatta

Some 200 sailboats are expected to compete in an April 26-28 Lake Norman regatta featuring keel and centerboard craft.

Lake Norman Yacht Club and Belk of Mooresville will co-sponsor the event that will draw entries from nearly 50 yacht clubs throughout the Southeast.

Don Smith, commodore of the Lake Norman Yacht Club, said races will be held on Saturday and Sunday with winners in each category receiving a Belk/Mooresville trophy.

Keel boats will sail one race each day and centerboards will race twice on Saturday and once on Sunday. Keel boats are over about 20 feet in length and centerboard boats are generally less than 20 feet.

Keel boats will be handicapped for the races using a standard time-allowance system but centerboard boats will sail in individual categories according to the class of boat.

Co-chairmen for the event are Chuck Lineberry and John Lee of the Lake Norman Yacht Club.

The event begins Friday night at the Lake Norman Yacht Club with the commodore's reception hosted by Smith. On Saturday, a continental breakfast and skippers' meeting will start the day with races scheduled for the afternoon.

An informal dinner for all participants will be held Saturday evening at the club.

"We are pleased to have Belk join us in sponsoring this event," Smith said. "We expect it to be one of the top regattas in our area."

David H. Stovall Jr. of Charlotte, executive vice president and supervising partner of the Belk Brothers group of stores, said he is "enthusiastic" about the regatta.

"We are delighted to have this opportunity to work with the Lake Norman Yacht Club in celebrating the opening of our new Mooresville store," he added.

Self-Defense Course Is Scheduled

Registration and the opening class of a course in self-defense for women will be held tomorrow (Thursday) night at the War Memorial Building.

Registration will begin at 7:30 in the building's basement.

The course will continue on a monthly basis, with classes each Tuesday and Thursday, from 7:30-8 p.m.

The course is designed to give students the knowledge, ability and confidence to defend themselves against all types of assault.

Covered in the course will be exercises to strengthen and firm muscles, blocking and striking techniques to ward off attackers, and several simple throw or take-down procedures.

Students are asked to wear loose-fitting clothing or exercise suits to class.

Certified instructors will be on hand Thursday at the 7:30 registration to answer any questions.

The course will be taught on a monthly basis with two sessions per week. Students may participate as many or as few times as the wish.

The cost of the course is $30 per month.

Instructors for the course will be Richard Yount and April Kimmer.

Pope Finishes Second In Regional Bee

Patrick Pope, a fifth grader at Celeste Henkel School, finished second in the regional spelling bee that was held at the Benton Convention Center in Winston-Salem last Sunday.

Pope's parents, Ernie and Lorraine Pope, are faculty members of the Mooresville schools.

Pope correctly spelled 27 words, losing to Nathan Dillion from Greensboro on the word h-y-n-o-p-o-l-g-ey.

The winner will travel to Washington, D.C., in May for the National Spelling Bee.

Other area students among the 43 contestants in the regional event were Erika Moore from Statesville Junior High and Jeff Leazer from Mooresville Junior High.

Parents Invited To School

A parent meeting will be held April 16 in the Senior High cafeteria to provide information to parents and students about course offerings for next year and to assist in planning an appropriate high school program of study.

Parents of students in grades 8-11 are invited to attend. The meeting will begin at 7 p.m. All parents are encouraged to take advantage of this opportunity to assist their children in making decisions regarding educational preparation.

As students begin their final quarter for the 1990-1991 school year, the important task of choosing courses for the next school year must be considered. During April, a great deal of attention is focused on this activity.

The curriculum has been updated with many refinements and changes. The advent of the Tech Prep program, the addition of new courses including several advanced placement courses and some changes in graduation requirements are being introduced.

These changes are Mooresville Senior High School's continued effort to provide a wide variety of courses to prepare students for further study in colleges and technical schools as well as to prepare them for the work force.
