

Couple United In Marriage At First Assembly

Happy 41, Dad
Love Matt
and Drew

Denise Anne Hayes Reed, daughter of Mr. and Mrs. Ray Hayes of Route 4, Mooresville and Daniel Moose, son of Mr. and Mrs. H.D. Moose of 529 North Church Street, Mooresville, were united in marriage on Saturday, March 16. The ceremony took place at 2:00 p.m. at the First Assembly of Mooresville with The Reverend Timothy Moose officiating. The wedding musician was Luther Vandross.

Given in marriage by her children, Brianna and Chason Reed, the pretty bride wore a cream-colored cutaway applique suit. She carried an alluring bouquet of roses and daisies. Maid of honor was Dawn Hayes, sister of the bride. She wore a dress of peach lace over satin and her floral bouquet complimented her attire.

The groom chose his father as best man. Ushers were Dean Anders and Shannon Hager. A reception followed the ceremony in the church Fellowship Hall.

The focal point of the bridal appointments was the peach and white wedding cake. Served with the cake were trays of deli sandwiches, potato salad, chicken puffs, macaroni salad, baked beans, ambrosia, stuffed dates, cookies, chips and mints. Punch completed the reception foods.

The newlyweds honeymooned at Myrtle Beach, SC. The bride is a graduate of Rowland High School at Rowland, Heights, Ca. and Mt. San Antonio College at Walnut, Ca. She is employed with Carolina Health Professionals, a nursing agency.

The groom is a graduate of Mooresville Senior High School and Central Piedmont Community College at Charlotte. He is employed by John Deere of Charlotte.

County Agent Carter Stresses Safety At Mt. Mourne Club

At 10 a.m. on April 10 at the Fair View United Methodist Church, the Mount Mourne Extension Club was called to order by President Annie Honeycutt.

Mary Beth McNeely gave a most inspiring devotional entitled "If You Meet God In the Morning, He'll Go With You Through the Day" by Helen Steiner Rice. A poem, "The Man in the Glass" was read by Annie Honeycutt.

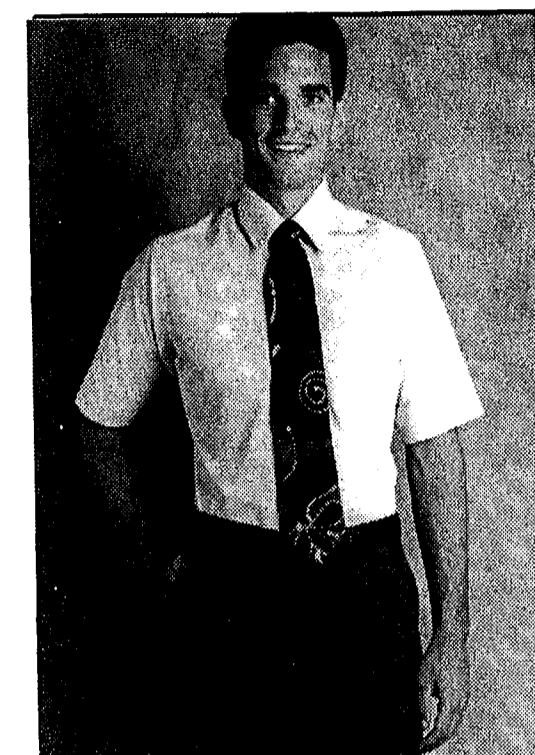

The pledge of allegiance was led by the president after which the program was given by the county agent Lucille Carter. Her topic was Safety.

The speaker noted it is your choice to do whatever you feel comfortable and secure with, whether its putting money in the bank, using seat belts versus taking a chance or going without. Playing it safe is to identify hazards over which we have control. In addition to tangible physical factors, we must consider preventive health measures that will impact on our well being and our longevity. We do not want to encourage becoming obsessed with risks that are unrealistic.

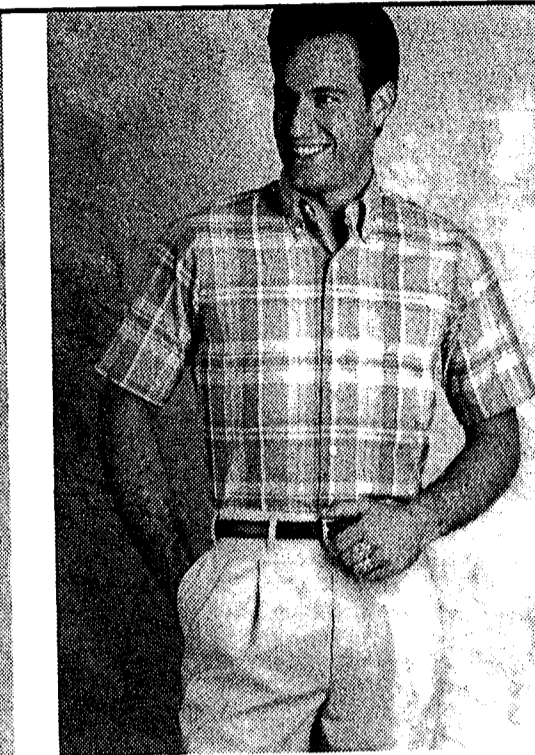

The speaker closed with a question and answer period including things we should keep on hand in our cars and homes, such as fire extinguishers, double bolt locks, jump cables, and know how to use them.

Members were encouraged to be aware that one-third of the nation's employees do not carry health insurance on their employees. Eighty percent of everything in the United States can be recycled. There will soon be a recycling station in Mooresville. We should take a list of our complaints to the doctor rather than forget half of the things we want to tell him, in other words, get our money's worth.

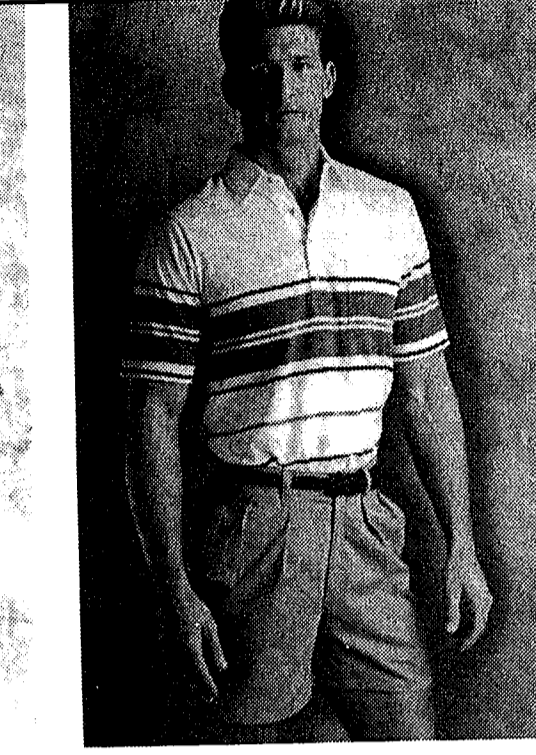

Household cleaners and drugs that are over a year old should be thrown out or kept under lock and key. Most accidents occur on county roads rather than interstates.
