Sorority Projects Discussed

The April 9 meeting of the Gamma Omega Chapter of Beta Sigma Phi sorority was held at the home of Joyce Morrow.

Several business items were discussed and it included the purchase of a locker for Mooresville Senior High School; made a \$100 donation to the Iredell County Adult Development and Day Center towards the purchase of a new wheelchair for Deb Leonard, sister of chapter member Pat Brewer.

Plans were also finalized for the sorority's annual Founder's Day celebration on April 30.

The evening's cultural program was by Susie Hauser. It was an entertaining and educational program on Trivia.

Twins Make Five Generations

Mrs. Lula Query was blest with five generations in her family when twins, Ashley and Joseph Kerley, were born. The 98 year-old great-great-grandmother is pictured holding the twins, Ashley and Joseph Kerley, and this was very easy for her since, she too, had a set of twins 68 years ago, and one of those is the twins great-grandmother, Mrs. Geneva Reid, center back. Grandfather Jimmy Kerley is pictured on the left and father Brad Kerley. This is a very special generation picture, since great-great-grandmother Query died in January of this year.

Shepherd Club Program On "Safety"

The Shepherd Extension Homemakers Club held its monthly meeting April 10, at 2 p.m. at the home of its President Ruth Eichlson. After the call to order, Vice President Evelyn Day led the group in the pledge of allegiance to the flag.

Helen McLean gave the devotional using the Good Samaritan as a topic and leading to the question, "How would you like to be remembered?"

Home Demonstration Agent Lucille Carter was a guest of the club and she gave the program on Safety, which was one of the main focus points of the year. She pointed out that attitude in life is a factor in how we deal with sickness, life's problems, as well as

our successes. Prevention is the best point to remember in thinking about accidents or our vulnerability to scam. Daily medication dispensers are particularly helpful for the elderly.

In a look at the long term effect of environmental problems, recycling surfaced as one thing everyone can do to help. Everyone participated in a discussion of the points made during the program.

Mary Whitner gave the treasurer's report. Three members of the club are planning to attend the southwestern district meeting on April 17 in Marion. Seven members answered roll call, each one telling what they

would do if they were given a million dollars. The meeting was adjourned with the group repeating together the club collect.

Delicious refreshments served

by the hostess featured a delicious strawberry shortcake, ham and turkey rolls, party mix, toasted combos and lime punch. The social hour was enjoyed by all.
