Hwy. No. 136 to Rocky River Toad

Rain, Rain Stays Away, Let's SISA Resume Play

Finally!

After back-to-back weekends of wash outs, the South Iredell Soccer Association resumed play in the Iredell County Recreation Department's spring soccer league last weekend.

The SISA marked its return to action with wins in all four age divisions during countywide play Saturday.

In the U-8 (under age eight) division, the Brawley Steamers were the big winners, ringing up a lopsided, 11-0 decision over the West Hornets.

Ten different players tallied at least a goal apiece, and three teammates shared shutout duties in the net, to celebrate the Steamers return to the field.

Brian Charnock scratched out a pair of goals, while teammates Preston Davis, Nicholas Oliver, Zack Thompson, Marshall Hitchcock, Nathan Dykes, Charles Robinson, Franny McCarran, David Lackey, and Jordan Hamilton added a goal each. Lackey, Hichcock and Hamilton all shared duty in the winning net.

The Brawley Broncos, Brawley Cougars and Brawley Express were each also engaged in U-8 play, with no results posted.

In U-10, the Brawley Panthers paved the way with a 6-1 topping of the West Bobcats.

Michael Cook kicked home a hat trick of three goals, and he also added a fourth, while Kalen Walker and Clayton Boan each provided a goal. Derek Hager and Seth Graham worked in the goal.

The Brawley Tigers sank the Ebenezer Hawks, 4-0, behind a pair of goals from Richie Hardin, and one each from Walt Hitchcock and Ben Lane. Ryan Chapman, Brent Liner, Jason Beaver, and Justin Johnson keyed the shutout effort on defense.

The Brawley Wildcats raced by West's Roadrunners, 5-2, as Luke Patterson planted a hat trick, and Bobby Miller added the other two goals for the winners. Erin DeWald and Ben Payne spurred the defense.

Dave Teal's lone goal for the his Brawley Cougars wasn't enough to starve off a 2-1 loss at the hands of Union Grove.

In U-12, the Brawley Rowdies enjoyed a field day in an 8-0 besting of the East Kicks.

Dustin Bumgarner notched a hat trick, and teammates Jonathan Baker, Brad Barger, Bobby Hamlin, Adam Hilton, and Samuel Hyatt all pitched in with a goal each. Barger, Web Brannon and Justin Jorgenson took turns patrolling the winning net.

The Brawley Stars shot down Ebenezer's Eagles, 4-1, behind a hat trick from Wesley Tucker, and a single netfinder from Nicholas Stutts. Tyler Roserman and Travis Smith combined for the win as keepers.

The Brawley Sting stung Harmony, 4-0, as Chris Anderson fired home two winners, and Eric Cutchin and Josh Crabb each contributed one. Adam Kutner notched the whitewash as keeper.

In completing a sweep of U-12 matches for the SISA, the Brawley Turbos tripped up the Troutman Hornets, 6-2.

Joshua Childers and Josh Graham each unloaded a pair of goals, and Ryan Burton and Tim Krueger added one apiece in the win. Kaleb Redden went the distance as keeper, with defensive assistance from Kenny Krueger.

In U-14, the Brawley Bullets were on target, shelling Central, 10-2.

Josh Bumgarner registered a hat trick, Jeremy Tinsely and Brian Degan each added two goals, and Chad Gandy, Randy Marion, and Andy Kutner all pitched in with a goal apiece to ignite the rout.

The Brawley Blast squeezed past the East Flyers, 2-1, thanks to a goal each from Chris Smith and Jed Smith, and the combined handiwork in the net from Luke Ray and Matt Steward.

The Brawley Strikers suffered a 6-2 loss to the Troutman Terminators, despite a scratch apiece from Jimmy Morris and Bryan Douthit, and the goalkeeping of teammates Josh Snider and Josh Kruger.

The SISA teams are homebased at Brawley Middle School, site of of their home matches.

Weather permitting, spring season action resumes with more matches against county opponents this weekend.

Pony League Teams Up For Tonight's Season Start

Giddy-up!

It's round up time for Mooresville's Pony Baseball League teams.

The Pony League season dawns for one of the five area squads tonight (Wednesday), the only member of the local herd tabled for opening-night activity.

The other four local teams will all receive their first taste of play within the following week.

Of the five area teams, only the Pirates will be in play this evening, doing so by hosting one of the seven out-of-town teams also enlisted in the 12-member circuit.

The Pirates help christen the campaign when entertaining Davidson in a 6 p.m. bout on the Moor Park field, site of all the Pony League games this season.

Within the next week, the Mooresville Cardinals, Brewers, Phillies and Yankees will all also join in on the fun.

Those five join forces with Davidson, Derita, Huntersville, Mallard Creek, Long Creek, Cornelius ITS and Cornelius Norman Crossing to comprise the league members this spring.

The most local teams will face each other a total of three times during the campaign and square off against the outside foes on a random basis to form a 14-game season for all teams.

All of the Pony League games, including those between fellow Mooresville teams as well as those against out-of-town opponents, will be played at Moor Park.

League games take place on Tuesday, Wednesday and Friday evenings, with single contests being staged on some dates and with a pair of games being held on a more regular basis each playing date.

Players on the Pony League teams are those boys born between Aug. 1, 1976, and July 31, 1978.

Play in the league among the Mooresville teams is being conducted through the Moresville Recreation Department.

Beginning with tonight's season-opener, the entire Pony League baseball schedule follows:

May 1
6:00 Davidson vs. Pirates
May 7
6:00 Cardinals vs. Brewers
8:00 Phillies vs. Pirates
May 8
6:00 Derita vs. Yankees
May 10
6:00 Pirates vs. Cardinals

When It Comes To Gas Leaks, Your Nose Knows.

Even though natural gas is one of the safest energy sources available, a gas leak may sometimes occur. Since natural gas has no smell, an odor is added to make sure that your nose knows there's a problem.

If you smell gas, please leave the premises at once. Do not strike a match or operate any electrical switch, including light switches. Go to a nearby telephone and call Public Service Company at once. We'll send someone to investigate right away.

And make sure that everyone knows these safety rules, including your kids.

You can reduce the risk of gas leaks by always making sure that your gas equipment and appliances are properly adjusted and maintained.

So, always trust your nose. And call your local Public Service office any time you have a question or problem.

PUBLIC SERVICE COMPANY OF NORTH CAROLINA, INC.

We're always glad to be of service.

Blue Devils Earn Most From Lone Baseball Appearance

Mooresville wrang all it could out of a wet and soggy week of baseball on the Southern District Seven Conference trail.

Managing to get in but a single game of the two scheduled — and with the second one rained out and re-scheduled twice — the Blue Devils pushed it into extra innings before keeping their postseason hopes alive with an eight-inning, 5-4 victory over Bandys.

"I don't even know if we've got enough time to finish the season," joked Joe Pinyan, Mooresville's first-year head coach, referring to the number of rainouts the team has suffered this season. "We've already got a couple of weeks that are filled with games, and the season can't last that much longer. It's going to be tough on us."

Mooresville hosted Bandys earlier in the week and then tried, and failed, to play at Bessemer City first Saturday night and then again Monday, with both games being washed away.

As a result, and with the extra-inning win over the Trojans, the Devils remained at 7-2 in the conference, good enough for a share of second place, and improved to 10-5 overall as they headed into a three-game week of play.

"We can't stand too many weeks with three games," offered Pinyan, pointing to a stretched-out pitching staff. "That makes it tough on our pitchers. You want to be at your best in conference games you have to win. It would be great if we didn't have any more games rained out."

Mooresville was able to get in its game against Bandys around the spring showers Tuesday night, and the hosts needed all seven innings of regulation play as well as one extra frame, to post the needed win.

The hosts fought from behind twice before engineering the winning rally in the home half of the eighth.

In that eighth, after holding Bandys in the top of the inning, the home team bunched three hits, all singles, and made up for a foiled suicide squeeze attempt to plate the winning run.

Ricky Greene and Otis Cowan opened the inning with singles, putting runners at first and third. Shortstop T.J. Goswick fouled off a suicide bunt attempt before poking a single that scored Greene.

Bandys had opened the scoring with a pair of runs in the first inning, before the hosts cut the lead in half with a run in the bottom of the inning.

Decomba Conner banged a double that scored Nathan White, who had reached on the first of his two hits.

The guests jumped back in front by two runs in the top of the third before the Devils knotted the game with two runs in their at-bat in the bottom of the inning.

The big blow in the third was pitcher Roy Frye's two-run single.

The Trojans enjoyed their last lead with a run in the fourth, but Mooresville answered right back with their final run of regulation play in the last of the same frame.

White plated the tying run on his second hit that scored Brad Cozart, who had walked and been sacrificed to second.

After three scoreless innings, Mooresville ended the game in the bottom of the eighth.

Frye, a senior righthander, went the distance, again surviving a shakey first inning, to improve his record to 6-1, with all but one of the wins coming against league foes. He surrendered two earned runs on seven hits with four strikeouts.

White and Frye each paired hits for the winners, while Goswick joined Conner, Greene and Cowan in collecting a base hit apiece.

After twice foiled in playing Bessemer City, Mooresville will try again this week in one of its three scheduled appearances.

The Devils were to open the week Tuesday afternoon at Bunker Hill before visiting Bessemer City tonight (Wednesday).

The locals then step outside league play to host North Stanly tomorrow (Thursday) night, at 7:30 on the High School field, to account for their final non-league contest of the regular season.

Pee-Wees To Go Pow Wow With Wednesday's Openers

Pow-wow time for Mooresville's Pee-Wee League Baseball League teams begins tonight (Wednesday).

For that's when the youth diamond league cranks up play for the new season, using a trio of games to conduct season-opener ceremonies.

The three games involve six of the circuit's 10 teams, all of which will be involved in at least one game during the league's first week of play.

Teams to see initial action this evening include the Cardinals, Phillies, Cubs, Mets, Astros, and Bandits.

Other member of the Pee-Wee League roster are the Bandits, Athletics, Pirates, Yankees, and Braves.

Opening-week play will take place on two of the three nights the league will conduct games all season.

In addition to tonight's three first-night games, and the three more tabled for Friday, Pee-Wee games will also be held in groups of threes on Monday nights throughout the six-week-long campaign.

As in years past, all Pee-Wee League contests will be held on the Edgemoor Park diamond.

Once again, all action in the youth circuit is being conducted through the Mooresville Recreation Department.

During the season, all 10 teams will face the remaining nine league members once apiece to account for each team's regular-season playing agenda.

The Pee-Wees constitute the second youngest group participating in youth baseball action this season.

Players in the league are those boys and girls born between Aug. 1, 1982, and July 31, 1984.

Beginning with tonight's season openers, the complete Pee-Wee Baseball League schedule follows:

May 1
6:00 Cardinals vs. Phillies
7:00 Cubs vs. Mets
8:00 Astros vs. Bandits
May 3
6:00 Athletics vs. Mets
7:00 Phillies vs. Cubs
8:00 Pirates vs. Cardinals
