Captains Commended For Anniversary Regatta Wins

Commendations were in order for the winning captains in last month's Lake Norman Yacht Club's 30th Anniversary Regatta.

The weekend-long affair marked the 30th year of the LNYC's existence and was sponsored by Belk of Mooresville in conjunction with its grand opening of its new location in the Mooresville Festival shopping center.

As the sponsor, Belk of Mooresville provided trophies to the event's two grand prize winners.

Competition was staged in both a One Design and PHRF class. The classes refer to small, one-sailor crafts and larger, full crew-sized vessels, respectively.

Larry Lewis, of the Lake Townsend Yact Club, bested all other One Design sailers in his Flying Scot to win that class's trophy.

Richard Jones, also of the LTYC, out-performed all other keel boats to win the PHRF Trophy, sailing a Soverel 33.

The two clubmates were the top honored of a host of captains who convened at the LNYC to mark the host facility's 30th anniversary with one of its largest regattas to date.

The regatta kicked off Friday night with a party with the Commodores of Area Yacht Clubs and their flag officers as special guests.

David Stovall, Jr., executive vice president, Belk Brothers Company, and Ray Boone, manager of the Belk of Mooresville store, made the trophy presentations as the awards ceremony Sunday afternoon.

Within each division, races were staged in various classes of boats. In each class, the top three captains were rewarded.

In the One Design division, Lewis took top honors among the Flying Scots, and collected the overall trophy, with Robbie Lowrance, of the host Lake Norman Yacht Club, and Dick Worthen, also of the host club, placing second and third, respectively.,

Among San Juan 21 boats, Fred Rhem, of the Wateree Sailing Club, placed first, followed by Bob Bynum, in second, and Mike Robinson.

In the Highlander class, Jacksonville, Fla.'s Tanner Schultz placed first, followed in second by John Wigney, and in third by John Gibbon.

In the Y-Flyer class, David Loring of the Columba Sailing Club, topped the field, with Lennox McNeary finishing second, and Merrill Callen winding up third.

In the JY-15 class, Ian Prime took first, followed by Tim Crowder, of Davidson, and Cris Norburn.

And in the One Design's Handicap division, Randy Hord finished first, with Bill Atherton second, and C.E. Summers finishing third.

In the larger-boat PHRF division, Jones was the top captain in the A-Spinnaker divison to win the overall Belk Trophy, piloting his Soverel 33.

Gene Rohrer, behind the wheel of a J-33, placed second, followed by Jim Beadnell, in his Olson 30.

In the B-Spinnaker class, Mike Vaughn, captaining the J-29 "Pegasus" placed first, followed by Frank Banesse, in a Bonneteu 3555, and Chick Lineberry, in a J-29.

Among C-Spinnakers, Bill Bruner piloted his J-22 to the winner's circle, followed, respectively, by George Mayes, also in a J-22, and Fred Sampson, in a J-24.

In the S2-7.9 class, Tom Lanning turned in a first-place finish, in front of runner-up John Davidson and third-place finisher Gene Lane.

And in the Non-Spinnaker class, Bob Lunsford, piloting a Pearson 28, took first, followed by Jim Highsmith, in a Catalina 25, and Judge Fowler, in an Oday 302.

From the host LNYC, John Lee and Chuck Lineberry served as the regatta chairmen, while the race committee consisted of Bill Ross, overseeing the action in the One Design division, and Bob Bowden, whose duties were refined to the PHRF division.

Mustangs' Pirates Rule Seas

The Pirates were rulers of the sea during the opening week of the boys Mustang Baseball League.

That was so as the Pirates heisted a pair of wins, one more than any other league member, and failed to lose at all to successfully christen their season.

The Pirates were the league's lone member to play in and win as many as two games during the opening week of action.

All eight teams in the league were engaged in at least a game apiece, with four of them appearing twice.

The Yankees were the only other team to emerge from the week unbeaten, doing so after winning their only scheduled contest.

The Bandits, Athletics and Phillies all split decisions, while the Astros, Braves and Mets were denied wins in single efforts.

Closely contested games were the rule last week, as three of the six games played were decided by a single run.

Individually, the Braves stole the show, despite being overshadowed in team results, as they featured two players who spanked home runs.

Braves teammates Scott Brotherton and Jeremy Donaldson accounted for the bulk of the league's power display with a four-bagger apiece to account for two of the league's three homers.

The third was slapped by the Astros' Asher Stevenson.

Ironically, all three homers came in losing causes.

Play in the Mustang League is conducted through the Mooresville Recreation Department.

Games are held on Monday, Wednesday and Thursday evenings, and Saturday mornings, all on the Liberty Park diamond.

Players in the league are those boys born between Aug. 1, 1980 and July 31, 1982.

Mustang League Standings

Pirates	2-0
Yankees	1-0
Bandits	1-1
Phillies	1-1
Athletics	1-1
Astros	0-1
Braves	0-1
Mets	0S-1

Junior High Track Teams Rehearse For TCC Finale

It's now or never for Mooresville Junior High's track teams.

The Red Imps and Lady Imps closed out the regular-season portion of their Tri-County Conference agenda with a four-school meet at Erwin last week, the same site as this week's grand finale.

Erwin will also serve as the host for this week's season-ending TCC championship meet, with all conference members in attendance.

The Red Imps of coach Ron Patterson used four first-place finishes to fashion a second-place showing behind powerhouse North Rowan in their final performance before gunning for the official conference championship.

The Lady Imps of coach Kathy Heinen, though, were limited to just a single first-place effort, saving their best for this week's final outing.

Mooresville's boys racked up 61 points to place second, with North Rown backing its position as the team to beat by picking up 98½ points. Erwin finished third with 51½ points, with Corriher-Lipe placing fourth with 29 points.

For the Imps, Wesley Linker supported his role as the league's leader in the high jump, clearing a meet-best, 5-6 to pick up one of the team's four gold medals.

Linker is the team's top candidate to win a league title this week.

The Red Imps also featured two other individual top finishes and combined in a relay event for the fourth.

Patrick Stutts crossed the finish line first in the 1,600-meter run, while Nathan Moore did the same in the 800-meter run.

And in the 1,600-meter relay race, the foursome of Evan Painter, Eric Scott, Stutts and Moore combined to turn in a winning effort.

Mooresville's boys also contributed four second-place finishes to their overall performance.

Stutts finished second in the high jump, giving the Imps a one-two sweep in that event, while Corey Bailey placed second inthe shot puit, Scott Blackburn was runner-up in the discus, and Pervis Johnson placed second in the 110 hurdles race.

Tacking on thirds for the Imps were Bailey in the triple jump, Painter in the 400 run, Johnson in the 165 hurdles, and the foursome of Blackburn, Scott, Moore and Jody Shepherd in the 400-meter relay.

For the Lady Imps, their only first-place showing came in the discus, accounted for by Brooke Satterfield.

In so doing, Satterfield boosted her chances of winning the event in this week's TCC meet.

Also for the Impettes, Jody Hopkins knocked 10 seconds off her time in the mile run and improved her position in anticipation of this week's final run.

Junior High's boys and girls teams will join the other TCC schools to participate in the league final this (Wednesday) afternoon at Erwin.

It is during this meet when official team and individual league champions will be declared.

Entering the league finale, Stutts leads the boys teams in points collected with 39, while Moore right behind with 37 points to his credit. Johnson has accounted for 36 points to date, while Linker has picked up 31 to round out the group of team members who have accumulated more than 30 points.

This week's annual TCC meet will conclude the track and field season for Junior High's teams.

Brintons Takes Lead In Softball

Brinton's Bombers got the most out of last week's opening week of action in the Mens' Open Softball League.

Brinton's Surgical Center did so by playing in and winning two games last week, picking up more wins than any of the remaining 12 circuit squads.

As a result, entering the second week of play, Brintons takes the very early league lead.

But thanks, in large part, to scheduling that saw just five teams appearing in as many as two games.

Of them, Brintons was the lone one to win them both.

A host of clubs were victorious in their lone appearances, as the Hurricanes, Burlington, Magic Rentals, Mooresville Ford and Universal Maintainance all were successful in their one and only debuts, respectively.

Meanwhile, Greenfield Market and Randy Marion Chevrolet evenly split first-week decisions.

Lakeside Cable, Lake Norman Regional Medical Center, and NGK Ceramics were all dealt defeats in their lone appearances, while the Brew Dogs and MCCA were denied wins twice.

Home run power was slow to be produced, as only four home runs were hammered last week.

Randy Marion Chevrolet provided two of them, courtesy of teammates Tony Hager and Rick Graham, who eached belted one.

Mooresville's Ford's Dale Caldwell, and the Hurricanes' Freddy Culbertson all also jacked a round tripper apiece.

All four dingers came in winning causes.

Play in the Men's Softball League is conducted through the Mooresville Recreation Department.

Games are held Monday through Thursday evenings, with all action being staged on the Woods School field.

Men's Softball League Standings

Brinone Bombers	2-0
Hurricanes	1-0
Burlington	1-0
Magic Rentals	1-0
Mooresville Ford	1-0
Universal Maintainance	1-0
Randy Marion Chevrolet	1-1
Greenfield Market	1-1
Lakeside Cable	0-1
LNRMC	0-1
NGK Ceramics	0-1
Brew Dogs	0-2
MCCA	0-2

Devilettes Remain On Playoff Pace

Mooresville's softball team upheld its end of the bargian last week.

Engaged in but a single Southern District Seven Conference contest, the Lady Devils won it, by a 7-2 count over visiting Bunker Hill, to stay in the thick of the hunt for a coveted postseason berth.

With the win, the Devilettes, who enjoyed an open date later in the week, improved to 7-5 in the league and moved into a tie for third-place with Maiden.

The top three regular-season finishers earn invitations to the state 2A softball playoffs.

West Lincoln is already assured of winning the league championship and receiving one of the playoff nods. Bandys entered the week solidly in second to merit another one. The only postseason spot still up for grabs is the one available to the third-place finisher.

At home last week to entertain Bunker Hill, the hostesses spotted their guests an early lead before scoring the game's final seven runs, scoring four of them in the third inning, to post the win and earn a sweep of the season's home-and-home series.

April Bentley collected two hits, one of them a triple that drove home two runs, to lead the winners. Jennifer Rodgers and Linda Redfear also clubbed two base hits apiece.

The win in the Devilettes' only scheduled appearance kept them among the SD-7's top three entering the stretch run of regular season play.

The Lady Devils entered this week's action with but two more weeks of play remaining.

Mooresville kicks off the span with a pair of games this week, including a critical third-place showdown with Maiden.

After traveling to face Cherryville earlier in the week, and looking for a sweep over the Lady Ironmen, the Lady Devils of head coach Nancy Dilks return home tomorrow (Thursday) afternoon to entertain Maiden.

In their first meeting, Maiden's identically-named Lady Devils earned a win over Mooresville, making this week's game even more crucial to the hostesses.

In case the two teams tie in the regular season standings, one of the first tiebreakers in how they stood head-to-head. Mooresville needs a win to at least salvage a split of the season series and force other tiebreakers into the picture, should the need arrive.

The first round of the state playoffs are scheduled to get underway later this month.

Mooresville is looking to land a playoff berth for a third straight spring.

Vikings Share FAC Golf Title

South Iredell successfully protected its perch atop the Foothills Atletic Conference golf leader board, but in so doing, the Vikings couldn't prevent another team from sharing it.

The Vikes, leaders going into last week's third and final 18-hole conference match, wound up in a two-way tie for the league championship, sharing top honors with match medalist North Surry.

The Vikings of head coach Gary Sherrill ventured into the third and final regular season match with a five stroke lead over North Surry.

In the final, held on Mocksville's Twin Cedars golf course last Wednesday afternoon, a four-player round of 312 strokes wasn't enough to prevent North's Greyhounds from forging a tie.

As a result, the two teams are declared co-champions.

Both teams finished 54 holes of FAC play with identical strokes totals of 982, the only two squads to finish in triple digits.

That was a whopping 37 strokes better than third-place finishing North Iredell.

Wilkes Central finished fourth, followed; in order, by Statesville and West Iredell.

The three league matches were staged on neutral courses, preventing all of the six FAC squads from gaining a home course advantage.

A season-long running score was kept from the three matches played, consisting of 18 holes each at Cedarbrook in Elkin and Brushy Mountain in Taylorsville, as well as at Mocksville's Twin Cedars.

Teams and individuals were forced to count all scores posted in the three league matches. The team championship and all-conference citations among the players were based on that accumulative totals.

The Vikings wound up fielding three all-conference golfers to boost their winning a share of the league championship.

Chip Huntley, who shot a team-best 73 at Twin Cedars, finished third in the league with a stroke total of 237, while teammate Brad Davis, who fired a 76 at Mocksville, wound up with 245 strokes for the year to finish sixth overall. Joey Walls, who crafted a round of 85 at Twin Cedars, ran his stroke total for the season to 247 and placed eighth.

Also contributing to the team total in the final conference match was Jim Dillon, who carded an 82.

With last week's match concluding the FAC portion of the Vikes golf tour, South Iredell competed as a team in this week's 3A Midwest Regional at the Statesville Country Club.

From there, the top three teams, and the top four players not members of those teams, all advance to next week's state finals.

Netters Vie In Tournament

It's tournament time for Mooresville's tennis team.

Upon the completion of regular-season play earlier this week, the Blue Devils will join the rest of the Southern District Seven Conference members in vying for league tournament honors beginning today (Wednesday).

As in the past, the conference finale will be held on host Newton-Conover's home facilities.

Mooresville completed regular season play hovering near the middle of the league standings, and the Blue Devils feature a couple of possible contenders for individual league honors.

Newton-Conover, the undefeated regular season champion, emerges as the odds-on favorite to also win the tournament team title.

Fittingly, the top individuals in this week's tournament are also representing the tourney hosts.

From Mooresville, singles players Jonathan Chappel, who played at number one throughout the season, and Rob Hancock, who played at number two, are among the best shots the Devils have at placing.

Chappell and Hancock also team up in doubles to form one of the league's top twosomes.

The tournament will take place beginning today and continue through tomorrow, at which time team and individual champions will be determined.

Swim Team Wins Nationals

The product of a second-year program out-swam those with much more experience in the National Swimming and Diving Championships in Indianapolis recently.

The Lake Norman YMCA men's swim team, in just its second season of competition, captured the natinal championship in the small teams division during the four-day competition.

For some members of the YMCA team, the rise to the top marked their first trip to the nationals.

For one team member, though, the experience was routine; as Dr. Mike Heinen has attended the nationals several times before.

His individual experience showed, as Heinen performed in a total of 11 events. He swam in seven individual events and participated on four relay teams.

Heinen turned in one first-place finish, two seconds, and three thirds to boost the team's overall showing. He also added a fifth-place finish in his other individual effort.

As a combined men's and women team, the Lake Norman YMCA squad fashioned a third-place finish overall.

Meanwhile, its men's team finished first in the small teams division.
