## Clothing And Recycling Topic At Shepherd Club

Shepherd's Extension Homemakers Club held its May meeting at 2 p.m. on May 8, at the home of Evelyn Day on Hwy. 115, North.

After a call to order by the President Ruth Etchison, the pledge of allegiance to the flag was led by the hostesses.

Devotional thoughts were given by Helen McLean whose topic was "That's What A Mother's For." She used three articles from different sources that brought out the many facets of mothers.

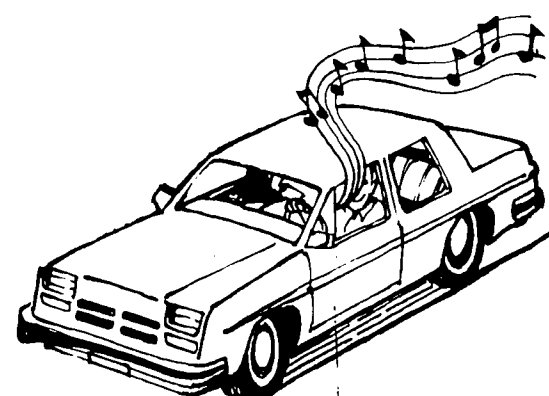

Mary Whitener, vice coordinator of Family Issues, gave a most interesting program on the many ways scarves may be used to accessorize dresses and suits. She brought scarves and jewelry and demonstrated many of the uses to change looks of an outfit. She also gave handouts showing how to tie and use scarves for different effects.

Following the scarf information, Mrs. Whitener gave a helpful update on recycling. She showed

the group different containers and how they have code numbers imprinted on each one to denote into which of six areas they are to be divided for turning over to recycling plants. Again, we were reminded that Mooresville would soon have a transfer place to put our separated items.

Seven members answered roll call with the number of years she had been a EHC member. Also a visitor and prospective member was present. Treasurer's report along with count of garments given to 5th Street Ministries of Statesville. Minutes of previous meeting were approved as read. There was no business brought up and so these members who attended the district meeting in Marion gave a report on that gathering.

The meeting closed with the repeating of the club collect and members retired to the dining room where the hostess seated them for lovely refreshments and a fellowship hour.
