## Moors attract growing lawn chair crowd

This is one lawn that definitely doesn't need mowing. In fact, for Mooreville's American Legion baseball Moors, it's also one that they hope continues to grow. As the Gresham-Baker Post 66 crew winds down the regular-season this week remaining in contention for a top-four spot within its Southern Division of Area III and accompanying homelife advantage for the upcoming opening round of the division playoffs, it seems more and more followers are sprouting up along the home team's left field boundary lines. It remains a favorite crowd spot because those filling the space just to the left of the out-of-play line are able to bring their own lawn chairs or spread out blankets on the ground for improved viewing angles. Even a larger lawn chair audience is anticipated once the legion playoffs get underway, as they are scheduled to do as early as Friday night. A top-four finish for the Moors would merit them the right to open that first-round series at home.

## Hospice tourney teeing off at MHCC

Even if both new cars available up for grabs as grand prizes for holes-in-one are driven off, those with the keys still won't be the biggest winners from today's (Wednesday's) annual Hospice of Iredell County Golf Tournament.

That right will once again, for the seventh straight June, belong to Hospice mission.

A goal of \$30,000 has been set and is again expected to be met when the seventh annual attraction takes place in a pair of shifts today.

With host Mallard Head County Club waiving all golfer's fees, all 100 percent of the proceeds realized from the fundraising affair will go to benefit Hospice.

Hospice of Iredell County provides care for terminally ill patients and their caregivers. In past tournaments, previous financial goals have been met or, as in most cases, exceeded.

Tournament officials are visualizing similar results once again this week.

Host MHCC officials are helping see to that. By their own admission, course staff personnel reveal that they aim at getting the site in ideal condition for a single event during the year, and the Hospice tournament is the one at which they take dead aim.

The proceeds will be generated through the anticipated full field featuring some 250 golfers. They will be in the field as a part of a morning and afternoon session, with play beginning in the form of shotgun starts at 8 a.m. and 2 p.m.

Format for the event will take the shape of a two-player, captain's choice. With teams placed in flights based on handicaps, there will also be separate flights for women's teams.

In addition to the team stroke competition, various on-course events will have separate battles. Two new cars are available for holes-in-one made on selected par-three holes. On yet a third, a new putter will be awarded to the player accounting for the shot landing closest to the pin at the hole. A host of additional prizes will also be available thanks to the contributing efforts of sponsors from across Iredell County.

For the \$60 per-player entry fee, all in the field will be treated to round of golf as well as be in line to receive refreshments throughout play. All entered will also be available to win a number of door prizes that will be presented in a drawing held during play.

Hospice of Iredell County Board of Directors, staff and volunteers extend a warm round of appreciation to all golfers and sponsors for helping make the organization's single largest fundraising project of the entire year once again a success. Plans are already in the forming process for the staging of next year's attraction, once again with a higher goal expected and anticipation high of yet meeting it as well.

## At the YMCA

The Mooreville Family YMCA 5K Power Run is on Saturday, Aug. 18.

Runners of all ages are invited to participate. Awards will be given for top 3 overall, top men and women, masters, and the top three in each age group.

The course is certified by the U.S. Track and Field Association with minimum hills for fast times. The cost is \$15 if you register prior to Aug. 15, and \$20 if you register on race day. T-shirts are guaranteed to all runners who register before race day.

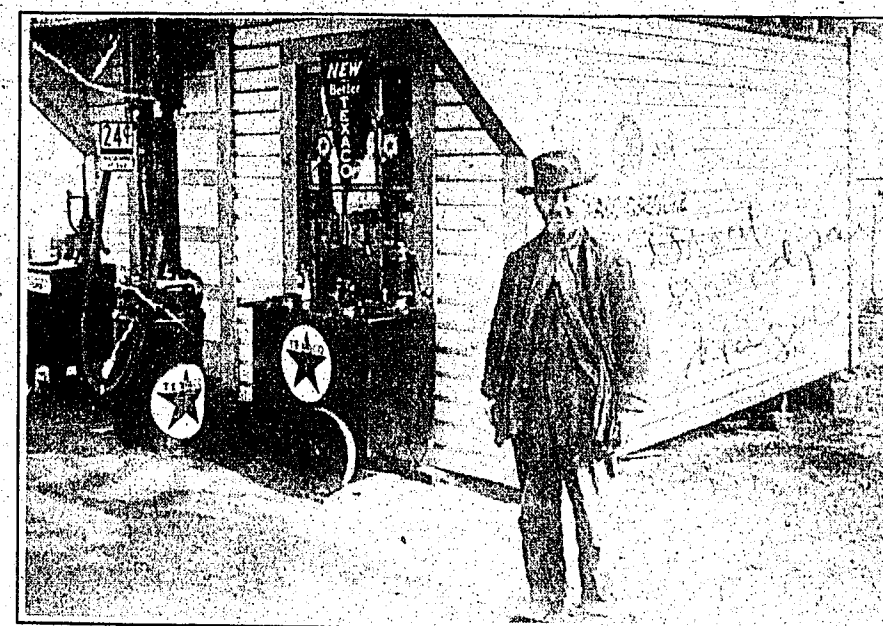

This race and the Health Fair that is to be held in conjunction with it is sponsored by

Sonshine Tours & Travel, Inc., Prudential, Lancaster's BBQ, Foot & Ankle Associates, Lake Norman Regional Medical Center, and Carolina Component Concepts. Pick up an entry form at the Mooreville Family YMCA, 664 East Plaza Drive, or call 704-716-4000.

Swimming Lessons are available for youth ages 3 to 12 with the YMCA. Classes will be held at Agape Child Development Center on Plaza Drive, Monday through Thursday, June 25 through July 19 in the mornings.

The cost is \$60 for members and \$90 for nonmembers.
