

**GIFTS FROM GIRL SCOUTS** — Dr. Roland Morgan, superintendent of Mooresville schools, has an armful of Girl Scout handbooks he accepted from Mrs. James Burke, right, Mooresville Neighborhood chairman; and Mrs. Don Kibling, a member of the local Girl Scout organization's board of directors. As part of a promotion being conducted throughout the Catawba Valley Girl Scout Council, Mooresville scouts gave four-volume sets of handbooks to each school, to the library, the school board and the superintendent's office. The books explain training programs for the four levels of Girl Scouting—the Brownies, Juniors, Cadettes and Seniors.

## "RAISING" CHILDREN BY THE BOOK

We have a choice in America . . . a choice denied millions who live under godless communism. Here is a man who is exercising that choice! He believes that children growing up in the free world ought to know and embrace the spiritual insights God has given man. This father introduced his children to the Bible when they were very young. Today the Book of the Ages is their friend. Tomorrow it will be their guide through the frightening age to which they have been born.

The American Bible Society — supported by earnest Christian citizens and the churches they attend — enables millions of families around the globe to share our heritage of Truth with this new generation on whose spiritual future rests the hope of the world.

**THE CHURCH FOR ALL — ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a source of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.
