What a beautiful family! Alive with love and dreaming of the future, they are, as God planned, the foundation of our society, establishing order and the basis for the procreation of humankind. Yet, how does the family maintain itself in a modern society that seems to be so conducive to the interruption and destruction of marriage?

It was the great artist Vincent Van Gogh who said... "Two persons must believe in each other, and feel that it can be done and must be done; in that way they are enormously strong. They must keep up each other's courage."

Yet, the most remarkable source of strength and courage is an unflinching faith in the Creator. To be close to one another, we must be close to God. Won't you worship as a family this week at your local church or synagogue?
