Last week things were getting down to normal. This week you can tell we're really down to business again, and in a big way. How can you tell? You guessed it—homework with a capital H.

—From ninth graders doing biology or algebra to seventh and eighth graders doing spelling definitions, you can tell school has really started and is here to stay.

Members of the MJHS faculty chose our cheerleaders for the 1963-64 school year. They are Bobbie Brawley, Alice Ann McNeely, Suzanne Ham, Marsha Murray, Paula Moody, Nancy Baker, Ann DeVane, Betty Jo Harrington, Alice Gold, Sandy Watson, Rose Grant, Aundria Pender, Janet Mayhew and Cindy Mayhew. Congratulations are in order to these people.

We have quite a few new teachers at MJHS this year. In the next four weeks we will interview our new teachers and tell you a little more about them. The first of these interviews will be with our brave gym teacher, Miss Dennis.

Barbara Ann Dennis came to us from Appalachian State Teachers College. She was born in Concord and now resides in Landis.

At Appalachian she had a double-major. The subjects were physical education (of course) and Social Studies.

Her favorite sports are tennis and water-skiing.

Miss Dennis chose this school because it is close to home and it is a good system—one of the best in North Carolina.

We are very happy to have Miss Dennis in our school and we hope she will stay.

Seven girls are trying out for majorettes. They are Betty Jo Wike, Dee Suttles, Janet Oliphant, Nancy Crowell, Sheila Upright, Lisa Alexander, and Suzanne Mills. Good luck to all these girls.

This week Mary and I wanted to know what the students considered their favorite subject and why.

Steve Robinson — The feminine species. Why not?

Kenny Harris — English, it is the last period.

Arithmetic — Because it makes me smart — Diane Benfield.

Health — We haven't done anything in it — Alan Mayhew.

Math — Because I like to figure out tricky problems — Susan Anderson.

My favorite subject is spelling because it isn't difficult and everyone needs it — Kenneth Ammons.

Math is my favorite subject because it is interesting — Nancy Baker.

History is my favorite subject because it's easy to get — Ann Brown.

English, History, and spelling, because they're interesting — Judy Carlton.

Math — Because it's not hard to do — Diane Brantley.

Music — Because I like to sing and dance — Bobby Nantz.

Reading — Because we haven't started it yet — Thad McDonald.

Science — Because I plan to be a scientist — Mike Levan.

Language — Because we need a better vocabulary — Marsha Deaton.

History — Because I have a good teacher — Nancy Warren.

Algebra — Because it isn't a challenge to me . . . yet — Wayne Baker.

Home Ec.—I hope to be a homemaker someday — Ponda Hayes.

History — Because I love my state and I'm proud of it — Terry McLemore.

History — Because Mrs. Reece makes it interesting — Angie Plyler.

Math — Because I make good grades — Aundria Pender.

Language — It's not hard for me — Reid Suttles.

Art — I like to draw — Gary Ham.

District Guild Event Held At Mount Mourne

The Charlotte district guild coaching conference of the Methodist church was held at the Fair View Methodist Church at Mount Mourne last Sunday afternoon from 3 until 5 o'clock.

Keynote speaker was Miss Lorna Kelly, a native of the Mount Mourne community, who is a missionary to the Congo. Her address was timely, most informative, and well received.

Three ladies from Korea also were present and one of these spoke briefly and all three, as a trio, rendered a number in their native tongue.

Later in the afternoon, a number of clinics were conducted, followed by refreshments in the educational building. The refreshment table was centered with a lovely all-white arrangement of chrysanthemums and gladioli, in a setting of ivy.
