Doctors Restore Leg To Normal Length

The stunted leg of a little girl has been stimulated by a Chicago medical team to grow until it is the same length as her other leg.

The girl was 8 years old when an operation was performed at Presbyterian-St. Luke's Hospital in Chicago, creating a half-inch connection between an artery and a vein in her leg. About 4½ years later, the 2 limbs were equal, and the connection between the 2 blood vessels was closed.

The technique, pioneered in the 1950's at the Mayo Clinic, is based on an observation made as early as 1833 that increasing the circulation in a limb promotes its growth.

An operation of this type is potentially hazardous, the doctors said, because after the initial operation the heart's output is necessarily increased and the heart enlarges to some degree to compensate.

After the second operation, when the connection was removed, the girl's blood pressure and heart rate became normal.

• LEGAL NOTICE •

LEGAL NOTICE

Notice is hereby given that the Mooresville Board of Commissioners will hold a public hearing at 7:00 p. m. Monday, February 3, 1964, to consider a proposed amendment to the Mooresville Zoning Ordinance. The amendment would rezone an area described as the Harry P. Deaton homeplace located on the southwest corner of the intersection of East Center Avenue and Statesville Avenue and being a lot fronting approximately 100 feet on East Center Avenue to a depth of approximately 600 feet. This property is presently in a R-10 Zone and the proposed amendment would place it in a R-6 Zone.

Any persons interested are invited to attend and present their arguments for or against this change.

Cyrus L. Brooks
City Manager

1-30-64

Max Hance

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Board of Education, Mooresville City Administrative Unit, in the office of Dr. R. R. Morgan, Superintendent of Schools, Mooresville, N. C., until 2:00 p. m., January 30, 1964, for furnishing all labor, materials, supplies and equipment required for the construction of an addition to the present Dunbar School building in Mooresville, N. C., at which time they will be publicly opened and read. Separate proposals will be received for the Heating and Plumbing Contracts.

Plans, specifications and contract documents are open to public inspection at the office of Dr. R. R. Morgan, Superintendent of Schools. Plans and specifications may be obtained from Holland & Riviere, Inc., Architects, Shelby, N. C., upon deposit of $25.00. The full amount of the deposit for one set of documents will be returned to each actual bidder submitting a bona fide bid, upon return of all documents in good condition within 5 days after the date of opening of bids.

Each proposal must be accompanied by a certified check, drawn on a bank or trust company authorized to do business in North Carolina, made payable to the Board of Education, Mooresville City Administrative Unit, in the amount of not less than 5 per cent of the total amount of the base bid. In lieu of a 5 per cent certified check, the contractor may submit a bid bond written in accordance with N. C. General Statutes 143-129 as amended by Chapter 1104 Public Laws for 1951, for 5 per cent of his bid. Bid bonds and/or checks will be returned promptly to the unsuccessful bidders, and to the successful bidder upon execution of the contract and performance bond. Should the successful bidder fail to execute the contract and furnish bond within 10 days after the notice of acceptance of his proposal, the bid bond and/or check will be forfeited to the Board of Education, Mooresville City Administrative Unit, as liquidated damages.

An A.I.A. performance bond will be required in an amount equal to 100 per cent of the contract price conditioned upon the faithful performance of the contract and upon the payment of all persons supplying labor and furnishing materials for the construction of the project.

General Contractors are notified that "An Act to Regulate the Practice of General Contracting," ratified by the General Assembly of N. C., on March 10, 1925, and as subsequently amended, (Public Laws of 1937, ratified March 23, Public Laws of 1949, ratified May 23), will be observed in receiving and awarding the General Contract.

Plumbing and Heating Contractors are notified that provisions of Chapter 87, Public Laws of 1937, ratified March 23, will be observed in receiving and awarding Electrical Contracts.

Awards will be made to the lowest responsible bidders provided it is the Owner's interest to accept such bids. Deductible alternates, if contained in the proposals, will be used at the owner's option in the sequence set forth in the proposal. The owner reserves the right to reject any or all bids and to waive informalities.

No bid may be withdrawn after the closing time for receipt of bids for a period of 30 days.

The Board Of Education
City Administrative Unit
Mooresville, North Carolina
